REINVENT your every day with a sedan that proves the good life is well within reach. Show off a head-turning new look. Key in your next adventure and go. Feel secure with advanced safety features that help keep an eye out. Pull up. Open some doors. Fill an impressive interior with friends, and stay out longer thanks to remarkable fuel economy. The new 2016 Nissan Sentra.[®] Enjoy more of **EVERYTHING.**

Redesigned aerodynamic exterior

17" aluminum-alloy wheels

Signature LED headlights

DARINGLY IMPRESSIVE.

BRING SOME FRIENDS ALONG.

Room enough for all. From quick trips to road trips, bring everyone along – comfortably. In Sentra,[®] you have a bright, airy interior with spacious rear-seat leg room.

¹Cargo and load capacity limited by weight and distribution. Always secure all cargo.

Nissan Sentra[®] SL shown in Charcoal Leather.

CRAFTED JUST FOR YOU.

Sentra® has been expertly designed to surround you with quality. Fine soft-touch materials fill the cabin, while available luxuries like heated front seats, rich Piano Black trim, and perforated leather-appointed seats come together to create a rich, tactile experience. This is Sentra®, made with the quality you desire.

Nissan Sentra® SL shown in Charcoal Leather. U.S. instrumentation shown.

Nissan Intelligent Key® with Push Button Ignition

Heated Front Seats

Bose® Premium Audio System with 8 speakers

Dual Zone Automatic Temperature Control (ATC) with in-cabin microfilter

INNOVATION THAT'S THERE FOR YOU.

Standard on Sentra® SV, impressive features — like Advanced Drive-Assist® Display,^{1,2} a Bluetooth® Hands-Free Phone System,³ illuminated steering wheel-mounted cruise control and audio controls, and a USB port for iPod® or other compatible devices⁴ — bring Sentra® out of the territory of your average car. 16" aluminum-alloy wheels, a RearView Monitor,⁵ NissanConnectSM with Mobile Apps,⁶ 127 mm (5.0") colour display, hands-free text messaging assistant,⁷ streaming audio via Bluetooth,⁸ and heated front seats make for a smoother ride inside and out. And you'll enjoy the ease and cool factor of Nissan Intelligent Key,[®] paired with Push Button Ignition.

ADVANCED DRIVE-ASSIST® DISPLAY

From turn-by-turn directions⁸ to caller ID and available safety features, the Advanced Drive-Assist® Display puts it all right before your eyes on its 127 mm (5.0") colour display.^{1,2} Steering wheel controls let you toggle through the different screens.

FINE VISION ELECTROLUMINESCENT GAUGES WITH CHROME ACCENTS

BLUETOOTH® AUDIO³

DRIVING AIDS^{9, 10, 11}

BLUETOOTH® PHONE SYSTEM³ WITH CALLER ID

TURN-BY-TURN NAVIGATION⁸

Bluetooth.®

Enjoy Sentra®'s standard Bluetooth® Hands-Free Phone System, allowing you to stay connected to your wider world.³

Want to let your passengers play DJ? With Sentra® SV, just connect a Bluetooth®-enabled audio device, including your tablet, to stream music wirelessly, from any seat in the car.³

Push Button Ignition and Nissan Intelligent Key.®

No fumbling for a key, thanks to these standard features on your Sentra® SV, SR, and SL. Push Button Ignition makes it easy. Just a single touch, and away you go. With Intelligent Key,[®] you can lock and unlock the doors, open the trunk, start the engine and drive away — all without removing it from your pocket or purse.

RearView Monitor.®

When you engage Reverse, Sentra®'s available RearView Monitor helps you see what's directly behind you. Standard on SV, SR, and SL trims.⁵

SV Aluminum-alloy Wheels.

16" Aluminum-alloy wheels add a stylish touch that's designed to impress.

Illuminated Steering Wheel Controls.

Sentra® lights the way with illuminated steering wheel controls that manage volume, radio, phone calls, and more.

Heated Seats.

Perfect for those chilly mornings, heated front seats help get you warm and toasty.

¹Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ²Information displayed is dependent on how vehicle is equipped. ³Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. Bluetooth® word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under licence. ⁴Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ⁵Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. ⁶Driving is serious business. Only use NissanConnectSM Mobile Apps when safe to do so. App availability is dependent upon vehicle model, trim level, packaging, and/or options. See Nissan.ca/NissanConnect for complete app availability details. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. Compatible smartphone required. Cellular network and GPS signals not available in all areas and/or at all times. Cellular technology is evolving, and changes to cellular networks provided by independent companies are not within Nissan's control. Nissan is not responsible for associated costs that may be required for continued operation due to cellular network termination (including equipment upgrades, if available, or roaming charges on alternative networks). Should cellular provider terminate/restrict service, service may be terminated without notice and with no liability to Nissan and its agents or affiliates. Subscription Agreement required and terms and conditions of Subscription Agreement apply. See Nissan.ca/NissanConnect for details. Text rates and/or data usage may apply. ⁷Use the text messaging feature after stopping your vehicle in a safe location. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Compatible smartphone required. Standard text rates and/or data usage may apply. ⁸Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. ⁹FEB cannot prevent accidents due to carelessness or dangerous driving techniques. It may not provide warning or braking in certain conditions. Speed limitations apply. ¹⁰LDW operates only when the lane markings are clearly visible. Speed limitations apply. See Owner's Manual for details. ¹¹Blind Spot Warning is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you. Bose® is a registered trademark of The Bose Corporation. iPod® is a registered trademark of Apple, Inc. All rights reserved.

NissanConnectSM

YOUR WORLD, AT YOUR FINGERTIPS.

With available NissanConnectSM with Mobile Apps, your Sentra[®] becomes your smartphone's best friend. Which means no more separation anxiety for you. Because now, your own hand-picked music, latest tweets, TripAdvisor[®] tips, Facebook[®] events, and more all come along for the ride, working seamlessly together through your smartphone and Sentra[®]'s available 147 mm (5.8") colour touch-screen.¹

Your Nissan[®] Sentra[®] also keeps you in the loop with the Nissan Navigation System (featuring Voice Recognition),² hands-free text messaging assistant,³ Bluetooth[®] hands-free calling and streaming audio,⁴ plus an iPod[®]/USB input.⁵

¹Driving is serious business. Only use NissanConnectSM Services powered by SiriusXM[®] and NissanConnectSM Mobile Apps when safe to do so. NissanConnectSM Services and Mobile Apps availability is dependent on vehicle model, trim level, packaging, and/or options. See Nissan.ca/NissanConnect for complete availability details. Late availability for some features. Compatible smartphone required to operate NissanConnectSM Mobile Apps. NissanConnectSM Services, including automatic crash notification and SOS, are dependent upon the telematics device being in operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data, and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach NissanConnectSM Customer Care or receive support. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. You are responsible for using Remote Horn feature in accordance with any laws, rules or ordinances in effect in your vehicle's location. Cellular network not available in all areas and/or at all times. Cellular technology is evolving, and changes to cellular networks provided by independent companies are not within Nissan's or SXM CVS Canada's control. Neither Nissan nor SXM CVS Canada are responsible for associated costs that may be required for continued operation due to cellular network termination (including equipment upgrades, if available, or roaming charges on alternative networks). Should cellular provider terminate/restrict service, service may be terminated without notice and with no liability to Nissan, SXM CVS Canada and/or their respective agents or affiliates. Certain services require a PIN for activation. Enrollment and Subscription Agreement is required to receive full suite of NissanConnectSM Services powered by SiriusXM[®] six (6) month trial period. Trial periods begin on your date of vehicle purchase or lease of a new Nissan; subsequently the respective paid subscription is at the then current rate to continue to receive respective services. Text rates and/or data usage may apply. See Nissan.ca/NissanConnect for details. ²Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. ³Use the text messaging feature after stopping your vehicle in a safe location. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Compatible smartphone required. Standard text rates and/or data usage may apply. ⁴Availability of specific features is dependent upon the phone's Bluetooth[®] support. Please refer to your phone Owner's Manual for details. Bluetooth[®] word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under licence. ⁵Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. iPod[®] is a registered trademark of Apple, Inc. MEET YOUR ENTOURAGE.

NissanConnectSM Services powered by SiriusXM[®]. Let our people look after you and your people. With available NissanConnectSM Services, you have a selection of plans that give you additional peace of mind, along with added convenience and comfort.¹

**EMERGENCY
PREPAREDNESS**

Watches out for you with features including automatic collision notification and emergency calling.

**REMOTE
ACCESS**

Can't find your vehicle in the parking lot? Use your computer or smartphone to flash the lights and/or honk the horn. Remote lock/unlock gives you easy access — even without a key.¹

**CUSTOMIZABLE
ALERTS**

Keeps you in the know about your vehicle's location, including Valet Boundary, speed, and even curfew alerts.

**CONCIERGE
SERVICES**

Traveling? You've got help with features including Journey Planner and Destination Download.

UP TO 6.1 L /100 KM (46 MPG)¹ GOES THE DISTANCE FOR YOU.

Performance, efficiency, fun — get more of it every day. Sentra[®] bumps it up with excellent fuel economy in a roomy, comfortable car that's a great drive. A redesigned aerodynamic exterior cuts through the air, while the advanced 1.8-litre engine teamed with a virtually gearless Xtronic CVT[®] (Continuously Variable Transmission) helps maximize efficiency and performance.

LIKE HAVING THREE DIFFERENT CARS AT YOUR FINGERTIPS.

With the simple push of a button, you can custom-tailor Sentra[®] to match your mood. So what will it be today? Eco, Normal or Sport?

ECO

Feeling thrifty? In Eco mode, Sentra[®] adjusts engine and transmission response to maximize fuel efficiency and even adjusts the air conditioning for less draw on the engine power.

NORMAL

Something for everybody. Normal mode gives you a perfect blend of efficiency and response.

SPORT

Curvy roads ahead? Sport mode sharpens engine and Xtronic CVT[®] transmission response to rev up your senses.

INTELLIGENT CRUISE CONTROL THE FUTURE IS HERE.

Take it to the next level with available Intelligent Cruise Control (ICC)². Unlike traditional systems that only maintain a set speed, Sentra[®]'s Intelligent Cruise Control also helps maintain a set distance between you and the car in front. As traffic slows down or speeds up, Sentra[®] responds accordingly.

Nissan Sentra[®] SR shown in Red Alert.

¹2016 Fuel Economy Estimate. Actual mileage may vary with driving conditions — use for comparison only. ²Intelligent Cruise Control is not a collision avoidance system or warning device. Designed to use limited braking. Failure to apply the brakes could result in an accident.

NISSAN SAFETY SHIELD® PHILOSOPHY

INNOVATION THAT LOOKS OUT FOR YOU.

What if you had the confidence you need for every part of your drive? The Nissan Safety Shield® Philosophy is a comprehensive approach to safety that guides the engineering and development of every vehicle we make.

MONITOR

Smart technologies are designed to help monitor conditions — like a warning to let you know when a vehicle is in the blind spot area, or a system that helps ensure you're travelling on properly inflated tires.

Available Features:

Forward Emergency Braking (FEB)^{1,2}

Blind Spot Warning (BSW)³

Rear Cross Traffic Alert (RCTA)⁴

RearView Monitor⁵

Tire Pressure Monitoring System (TPMS) with class-exclusive Easy-Fill Tire Alert TPMS lets you know when a tire is low. And Easy-Fill Tire Alert takes the guesswork out of filling your tires, with a beep of the horn when you've reached the correct pressure.^{6,7,8}

RESPOND

Whether you need to hit the brakes hard or manoeuvre around an unexpected obstacle, these standard technologies help you respond to a potentially harmful situation.

Vehicle Dynamic Control (VDC) helps you maintain your steered path.⁹

Traction Control System (TCS) helps reduce wheelspin in low-traction situations.

Anti-lock Braking System (ABS) helps you maintain steering control around obstacles while braking heavily.

Electronic Brake force Distribution (EBD) sends extra force to the rear brakes when you have additional weight of passengers or cargo in the back.

Brake Assist (BA) helps apply maximum braking force if it detects hard braking and senses you are in an emergency situation.¹⁰

PROTECT

When a collision is unavoidable, Nissan's Zone Body construction helps absorb the impact while the advanced seat belt and airbag systems help protect passengers.¹¹

Six Standard Airbags¹¹ Nissan Advanced Airbag System has dual-stage supplemental front airbags¹¹ with seat belt and occupant-classification sensors. In addition, Sentra® features front seat-mounted side-impact supplemental airbags¹¹ and roof-mounted curtain side-impact supplemental airbags with rollover sensor.¹¹

LATCH System (Lower Anchors and Tethers for Children)

NISSAN SAFETY SHIELD® TECHNOLOGIES GET AWAY WITH JUST A WARNING.

Forward Emergency Braking (FEB). Using radar technology to keep an eye on your speed and proximity to vehicles ahead of you, the available Forward Emergency Braking gives you audible and visual display warnings to help you know when to reduce your speed, if necessary. It can also apply braking to help you avoid a collision. If a collision is unavoidable, this feature will automatically engage the brakes to help reduce speed of impact and reduce the severity of a collision.^{1,2,12}

Blind Spot Warning (BSW). When the available Blind Spot Warning system detects another vehicle in the blind spot area, an indicator appears in the driver's or front passenger's door pillar and on the available Advanced Drive-Assist® Display. Then, if you put your turn signal on, the indicator flashes with a warning chime.^{3,12,13,14}

Rear Cross Traffic Alert (RCTA). When you're backing out of a parking space, this available feature watches the area around the rear of your Sentra®, and can warn you about vehicles you might not see approaching from either side. So backing up feels easier than ever.^{4,12}

RearView Monitor. When you engage Reverse, Sentra®'s available RearView Monitor helps you see what's directly behind you.⁵

snug-kids® Nissan safety engineers have dedicated thousands of hours to evaluating hundreds of child restraints in Nissan vehicles. The result: an industry first, The Snug Kids® Child Safety Seat Fit Guide. This guide lists child seats that fit the rear seats of Nissan vehicles as well as offers invaluable tips on correct installation. Look for the latest Fit Guide at Nissan.ca/en/owners

¹FEB cannot prevent accidents due to carelessness or dangerous driving techniques. It may not provide warning or braking in certain conditions. Speed limitations apply. ²FCW is intended to warn you before a collision occurs; it cannot prevent a collision. Speed and other limitations apply. See Owner's Manual for details. ³Blind Spot Warning is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you. ⁴Not a substitute for proper backing procedures. May not detect all moving vehicles. Speed and other limitations apply. See Owner's Manual for details. ⁵Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. ⁶TPMS is not a substitute for regular tire pressure checks. ⁷Based on Global Automakers of Canada (GAC) segmentation. ⁸Vehicle must be on for the Easy-Fill Tire Alert to operate. ⁹VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. ¹⁰Brake Assist is only an aid to assist the driver and is not a collision warning or avoidance device. It is the driver's responsibility to be in control of the vehicle at all times. ¹¹Airbags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. Also, in addition to any other requirement of applicable law, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts, according to their size. Airbags will only inflate in certain accidents; see your Owner's Manual for details. Inflated airbags shown for illustration purposes only, actual coverage area may differ. Airbags deflate after deployment. ¹²Available feature. ¹³Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ¹⁴Information displayed is dependent on how vehicle is equipped.

SAFETY SHIELD

CHOOSE YOUR TRIM LEVEL

S

- 1.8-litre 4-cylinder engine
- 6-speed manual transmission or Xtronic CVT® (Continuously Variable Transmission)
- Eco, Normal and Sport drive modes

BUYING AND OWNING

Finance Options Through Nissan Canada Finance, we offer many attractive lease and loan options that can be tailored to your individual needs. We have unique programs such as the Nissan Grad Program, Loyalty Program or the Nissan Advantage Program. Please visit our website Nissan.ca/finance to explore all of the options available. We have also made it easy to pre-qualify online. All of our programs come with competitive rates and terms. With our flexible options, driving home a new Nissan has never been easier. Consult your local Nissan Dealership for complete details.

No-Nonsense Warranty Every 2016 Nissan is covered by a 3 year/60,000 km⁵ Comprehensive New Vehicle Warranty, a 5 year/100,000 km⁵ Powertrain Warranty, an 8 year/130,000 km⁵ Emission Control Warranty on selected components, and a 5 year/unlimited km Corrosion Perforation Warranty. As a Nissan owner, you'll also receive a 3 year Roadside Assistance program available to you 24 hours a day. Terms, conditions and exclusions apply. See Warranty Information Booklet for complete details.

Added Security Plan (ASP) For ultimate peace of mind, consider the Nissan Added Security Plan. It's our commitment to be there for you and to help you leave your worries behind. Different plans, available for both purchased and leased vehicles, let you tailor the coverage to your driving habits.

Security+Plus™ Prepaid Maintenance Plan The smart choice when it comes to maintaining your new Nissan. Honoured at all participating Nissan Dealers in Canada and the U.S., your vehicle is cared for by factory-trained technicians using Genuine Nissan Parts. And best of all, there's no worrying about price increases on parts or service in the future. A variety of plans are available. Ask your Dealer for details.

³See your Nissan Dealership and read the actual limited warranty. ⁴Cargo and load capacity limited by weight and distribution. Always secure all cargo. ⁵Whichever occurs first.

¹Brake Assist is only an aid to assist the driver and is not a collision warning or avoidance device. It is the driver's responsibility to be in control of the vehicle at all times.
²Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status.
³Driving is serious business. Only use NissanConnectSM Services powered by SiriusXM[®] and NissanConnectSM Mobile Apps when safe to do so. NissanConnectSM Services and Mobile Apps availability is dependent on vehicle model, trim level, packaging, and/or options. See **Nissan.ca/NissanConnect** for complete availability details. Late availability for some features. Compatible smartphone required to operate NissanConnectSM Mobile Apps. NissanConnectSM Services, including automatic crash notification and SOS, are dependent upon the telematics device being in operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data, and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach NissanConnectSM Customer Care or receive support. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. You are responsible for using Remote Horn features in accordance with any laws, rules or ordinances in effect in your vehicle's location. Cellular network not available in all areas and/or at all times. Cellular technology is evolving, and changes to cellular networks provided by independent companies are not within Nissan's or SXM CVS Canada's control. Neither Nissan nor SXM CVS Canada are responsible for associated costs that may be required for continued operation due to cellular network termination (including equipment upgrades, if available, or roaming charges on alternative networks). Should cellular provider terminate/restrict service, service may be terminated without notice and with no liability to Nissan, SXM CVS Canada and/or their respective agents or affiliates. Certain services require a PIN for activation. Enrollment and Subscription Agreement is required to receive full suite of NissanConnectSM Services powered by SiriusXM[®] six (6) month trial period. Trial periods begin on your date of vehicle purchase or lease of a new Nissan; subsequently the respective paid subscription is at the then current rate to continue to receive respective services. Text rates and/or data usage may apply. See **Nissan.ca/NissanConnect** for details.
⁴XM[®] and SiriusXM[®] Satellite Radio is available in the 10 Canadian provinces and the 48 contiguous United States. Basic monthly subscription required and sold separately after trial period. NavTraffic[®]/SiriusXM[®] Traffic is available in select North American markets. In Canada, at time of printing, incident and flow data is available for 12 metropolitan areas of Canada (Vancouver, Calgary, Edmonton,

Availability of specific feature is dependent upon the phone's Bluetooth[®] support. Please refer to your phone Owner's Manual for details. Bluetooth[®] word mark and logos are owned by Bluetooth SIG, Inc. and any use of such marks by Nissan is under licence. Text rates and/or data usage may apply. Certain services, including Siri,[®] are provided by independent companies not within Nissan's control. Should service provider terminate/restrict service, service may be suspended or terminated without notice or liability to Nissan and/or its agents. Nissan not responsible for any equipment replacement or upgrades, or associated costs, that may be required for continued operation due to service changes. Siri[®] Eyes Free is a registered trademark of Apple, Inc. ⁶Use the text messaging feature after stopping your vehicle in a safe location. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Compatible smartphone required. Standard text rates and/or data usage may apply. ⁷Availability of specific features is dependent upon the phone's Bluetooth[®] support. Please refer to your phone Owner's Manual for details. Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under licence. ⁸Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. ⁹Intelligent Cruise Control is not a collision avoidance system or warning device. Designed to use limited braking. Failure to apply the brakes could result in an accident. ¹⁰Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ¹¹Airbags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. Also, in addition to any other requirement of applicable law, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents. See your Owner's Manual for more details. ¹²VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. ¹³TPMS is not a substitute for regular tire pressure checks. ¹⁴Vehicle must be on for the Easy-Fill Tire Alert to operate. <p>Nissan's environmental action plan focuses on several key areas. In addition to increasing production of Zero Emission vehicles like the 100% electric LEAF,[®] we're improving fuel efficiency across our lineup, and reducing the environmental impact of manufacturing through energy-efficient practices in our plants.</p>
