ACCELERATE your pulse with a captivating look. Turn heads with sleek, flowing lines. Take on the road with exceptional efficiency, and gain confidence through innovative safety technologies. Inside, you'll find all the comforts you could ever want, but more important, the one thing you really need. A true sense of connection to what's possible. The 2017 Nissan Altima. It's time your ride kept up with your **EXPECTATIONS.**

NEVER GET IN A HOT OR COLD CAR AGAIN

No matter the temperature, Altima's available Remote Engine Start System¹ with Intelligent Climate Control² helps make sure you always get into a comfortable car. On hot days, it can adjust temperature and airflow for a quick cool down. On cold days, it can adjust airflow to warm up the cabin, defrost windows and windshield, and can even turn on the available heated steering wheel and outside mirrors.

COMFORT YOU CAN CALL OUT OF THIS WORLD

Zero Gravity Seats – In the weightlessness of space, humans take a relaxed posture that minimizes stress on the body. To recreate this “neutral posture” when you’re behind the wheel, Nissan designed an articulated front seat that offers continuous support from the pelvis to the chest, along with seat cushions that flex in response to your unique pressure points. The result is a seat that’s incredibly comfortable and helps reduce fatigue, no spacesuit required.

¹Provincial laws may apply; review local laws before using. ²Intelligent Climate Control is only available on SV and SL models. Due to continuous product development and other pre- and post-production factors, actual vehicle, materials and specifications may vary from this brochure. For information on additional options and accessories, contact your Nissan Dealership.

Leather-wrapped steering wheel

Paddle shifters with manual shift mode

Unique heated sport cloth seats

8-way power driver's seat

SR exterior styling

RECONNECT WITH YOUR LOVE OF DRIVING

Altima® SR puts you in the middle of the excitement with a cockpit designed for action. At your fingertips, steering-wheel mounted paddle shifters let you fire off shifts. A leather-wrapped steering wheel and shift knob feel great to the touch, while heated Zero Gravity Seats in unique sport cloth help hold you in place. Top it off with distinct interior sport accents and the Advanced Drive-Assist® Display^{1,2} — which serves up info right in front of you, helping to minimize time looking away. If you love to drive, this is where you want to be.

Nissan Altima® SR shown in Charcoal cloth. U.S. instrumentation shown.

¹Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ²Information displayed is dependent on how vehicle is equipped.

NissanConnectSM YOUR WORLD, AT YOUR FINGERTIPS

NissanConnect with available Mobile Apps helps your Altima[®] become your smartphone's best friend. Which means no more separation anxiety for you. Because now, your own hand-picked music, latest tweets, TripAdvisor[®] tips, Facebook[®] events, and more all come along for the ride, working seamlessly together through your smartphone and Altima's available 178 mm (7.0") colour touch-screen.¹

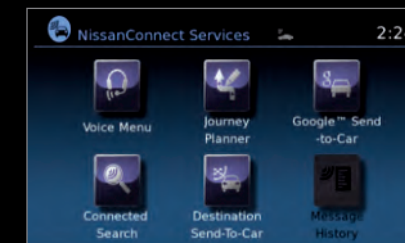

Your Nissan Altima also keeps you in the loop with the available Nissan Navigation System (featuring voice recognition),² hands-free text messaging,³ Bluetooth[®] hands-free calling and streaming audio,⁴ plus an iPod[®]/USB input.⁵

¹Driving is serious business. Only use NissanConnectSM Services powered by SiriusXM[®] and NissanConnectSM Mobile Apps when safe to do so. NissanConnectSM Services and Mobile Apps availability is dependent on vehicle model, trim level, packaging, and/or options. See Nissan.ca/NissanConnect for complete availability details. Late availability for some features. Compatible smartphone required to operate NissanConnectSM Mobile Apps. NissanConnectSM Services, including automatic crash notification and SOS, are dependent upon the telematics device being in operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data, and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach NissanConnectSM Customer Care or receive support. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. You are responsible for using Remote Engine Start and Remote Horn features in accordance with any laws, rules or ordinances in effect in your vehicle's location. Cellular network not available in all areas and/or at all times. Cellular technology is evolving, and changes to cellular networks provided by independent companies are not within Nissan's or SXM CVS Canada's control. Neither Nissan nor SXM CVS Canada are responsible for associated costs that may be required for continued operation due to cellular network termination (including equipment upgrades, if available, or roaming charges on alternative networks). Should cellular provider terminate/restrict service, service may be terminated without notice and with no liability to Nissan, SXM CVS Canada and/or their respective agents or affiliates. Certain services require a PIN for activation. Enrollment and Subscription Agreement is required to receive full suite of NissanConnectSM Services powered by SiriusXM[®] six (6) month trial period. Trial periods begin on your date of vehicle purchase or lease of a new Nissan; subsequently the respective paid subscription is at the then current rate to continue to receive respective services. Text rates and/or data usage may apply. See Nissan.ca/NissanConnect for details. ²Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. ³Use the text messaging feature after stopping your vehicle in a safe location. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Compatible smartphone required. Text rates and/or data usage may apply. ⁴Availability of specific features is dependent upon the phone's Bluetooth[®] support. Please refer to your phone Owner's Manual for details. Bluetooth[®] word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under licence. ⁵Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. iPod[®] is a registered trademark of Apple, Inc. All rights reserved. iPod[®] or other external device not included. ⁶Provincial laws may apply; review local laws before using. Facebook[®] is a registered trademark of Facebook, Inc. Google[®] is a registered trademark of Google Inc. The Sirius[®], XM[®] and SiriusXM[®] names and all related marks and logos are trademarks of Sirius XM Radio Inc. TripAdvisor[®] is a registered trademark of TripAdvisor LLC. Twitter[®] is a registered trademark of Twitter, Inc.

NissanConnect Services powered by SiriusXM[®]

Let our people look after you and your people. With available NissanConnect Services, you have a selection of plans that give you additional peace of mind, along with added convenience and comfort.¹

EMERGENCY PREPAREDNESS

Watches out for you with features including automatic collision notification and emergency calling.

REMOTE ACCESS

Use your computer or smartphone to warm up your car with the Remote Engine Start System. Remote lock/unlock gives you easy access – even without a key.⁶

CUSTOMIZABLE ALERTS

Keep you in the know about your vehicle's location, including Valet Boundary, speed, and even curfew alerts.

CONCIERGE SERVICES

Travelling? You've got help with features, including Journey Planner and Destination Download.

TWO ENGINES TO CHOOSE FROM

7.3

L/100 KM (39 MPG) HWY¹

270

HORSEPOWER

251

LB.-FT. TORQUE

4
CYLINDER

4-cylinder Engine Choose the 179 HP 4-cylinder engine and get more than just spirited performance. The advanced intake system optimizes the opening of intake valves at high rpm to keep the torque curve flat, giving you smooth power while contributing to the impressive highway fuel economy. In the newest version of our Xtronic CVT[®] (Continuously Variable Transmission), shift points have been programmed, offering a traditional transmission feel, while providing anything but traditional efficiency.

V6

V6 Engine Nissan's legendary 3.5-litre, 270 HP V6 engine treats you to sports-car-like performance and a cool 7.3 L/100 km (39 MPG highway)¹ that keeps you right at home in the carpool lane. Part of the engineering magic is Continuously Variable Valve Timing Control System (CVTCS), which means power is always on tap – off the line, or passing – for a ride as thrilling as it is efficient.

INTELLIGENT CRUISE CONTROL THE FUTURE IS HERE

Take advantage with Intelligent Cruise Control. Unlike traditional systems that only maintain a set speed, Altima's Intelligent Cruise Control also helps maintain an adjustable set distance between you and the car in front. As traffic slows down or speeds up, Altima[®] responds accordingly.²

Active understeer control This innovative technology reads the cornering situation and, if needed, will brake the appropriate wheel to help you steer through the turn.

Suspension Altima's rear multi-link suspension provides exceptional agility in the corners. The layout of the suspension allows the rear wheels to turn slightly to match the front – giving you the sensation of riding on rails.

Shocks Altima's luxury sedan-inspired shocks significantly reduce vibrations for a smooth, flat ride. A rebound spring inside each shock absorber makes for minimal roughness and more secure cornering.

CORNER WITH PURPOSE, AND JOY

Imagine if your car knew when you were cornering – and how to respond to your commands. That's the kind of intuitive response we've engineered into every Altima. So you can enter a corner with more confidence and exit with a big grin.

¹2017 Fuel Economy Estimate. Actual mileage may vary with driving conditions – use for comparison only. ²Intelligent Cruise Control is not a collision avoidance system or warning device. Designed to use limited braking. Failure to apply the brakes could result in an accident.

NISSAN INTELLIGENT SAFETY SHIELD TECHNOLOGIES INNOVATION THAT LOOKS OUT FOR YOU

What if you had the confidence you need for every part of your drive? The Nissan Safety Shield philosophy is a comprehensive approach to safety that guides the engineering and development of every vehicle we make.

MONITOR

Smart technologies are designed to help monitor conditions. Like a warning when sudden braking is detected two vehicles ahead or a system that helps ensure you're travelling on properly inflated tires.

Available Features:

Predictive Forward Collision Warning (PFCW)^{1,2}

Forward Emergency Braking (FEB)^{1,3}

Blind Spot Warning (BSW)^{1,4}

Rear Cross Traffic Alert (RCTA)^{1,5}

Tire Pressure Monitoring System (TPMS) with Easy-Fill Tire Alert
TPMS lets you know when a tire is low. And Easy-Fill Tire Alert takes the guesswork out of filling your tires, with a beep of the horn when you've reached the correct pressure.^{6,7}

RESPOND

Whether you need to hit the brakes hard or manoeuvre around an unexpected obstacle, these standard technologies help you respond to a potentially harmful situation.

Vehicle Dynamic Control (VDC) helps you maintain your steered path.⁸

Traction Control System (TCS) helps reduce wheelspin in low-traction situations.

Anti-lock Braking System (ABS) helps you maintain steering control around obstacles while braking heavily.

Electronic Brake force Distribution (EBD) sends extra force to the rear brakes when you have additional weight of passengers or cargo in the back.

Brake Assist (BA) helps apply maximum braking force if it detects hard braking and senses you are in an emergency situation.⁹

PROTECT

When a collision is unavoidable, Nissan's Zone Body construction helps absorb the impact while the advanced seat belt and airbag systems help protect passengers.¹⁰

6 STANDARD AIRBAGS¹⁰

Six Standard Airbags¹⁰ Nissan Advanced Airbag System has dual-stage supplemental front airbags with seat belt and occupant-classification sensors.¹⁰ In addition, Altima[®] features front seat-mounted side-impact supplemental airbags¹⁰ and roof-mounted curtain side-impact supplemental airbags with rollover sensor.¹⁰

LATCH System (Lower Anchors and Tethers for Children)

Nissan safety engineers have dedicated thousands of hours to evaluating hundreds of child restraints in Nissan vehicles. The result: an industry first, The Snug Kids Child Safety Seat Fit Guide. This guide lists child seats that fit the rear seats of Nissan vehicles as well as offers invaluable tips on correct installation. Look for the latest Fit Guide at Nissan.ca/en/owners

GET AWAY WITH JUST A WARNING

Predictive Forward Collision Warning (PFCW)

Now you can get a heads up, even if you can't see what's slowing you down. A radar sensor on the front of Altima constantly monitors the second vehicle ahead in your lane. When the system detects sudden deceleration two vehicles ahead, it gives you an audible warning and a visual signal on the instrument panel.^{1,2}

Forward Emergency Braking (FEB) This system helps keep an eye on your speed and proximity to the vehicle ahead of you, warning you if you need to slow down. It can also apply braking if you fail to respond to help you avoid a collision. If a collision is unavoidable, this feature will engage the brakes to help reduce speed of impact and the severity of a collision.^{1,3}

Blind Spot Warning (BSW) If another vehicle is detected in the blind spot area, an indicator appears in the driver's or front passenger's door pillar and on the Advanced Drive-Assist[®] Display. Then, if you put your turn signal on, the indicator flashes with a warning chime.^{1,4,11,12}

Rear Cross Traffic Alert (RCTA) When you're backing out of a parking space, this feature watches the area around the rear of your Altima and can warn you about detected vehicles you might not see behind you approaching from either side. So backing up feels more confident than ever.^{1,5}

¹Available feature. ²PFCW is intended to warn you before a collision occurs; it cannot prevent a collision. Speed and other limitations apply. See Owner's Manual for details. ³FEB cannot prevent accidents due to carelessness or dangerous driving techniques. It may not provide warning or braking in certain conditions. Speed limitations apply. ⁴Blind Spot Warning is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you. ⁵RCTA is not a substitute for proper backing procedures. May not detect all moving vehicles. Speed and other limitations apply. See Owner's Manual for details. ⁶TPMS is not a substitute for regular tire pressure checks. ⁷Vehicle must be on for the Easy-Fill Tire Alert to operate. ⁸VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. ⁹Brake Assist is only an aid to assist the driver and is not a collision warning or avoidance device. It is the driver's responsibility to be in control of the vehicle at all times. ¹⁰Airbags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. Also, in addition to any other requirement of applicable law, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents; see your Owner's Manual for more details. Inflated airbags shown for illustration purposes only, actual coverage area may differ. Airbags deflate after deployment. ¹¹Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ¹²Information displayed is dependent on how vehicle is equipped.

CHOOSE YOUR TRIM LEVEL

2.5

- 2.5-litre DOHC 16-valve 4-cylinder engine
- Xtronic CVT® (Continuously Variable Transmission)
- Fog lights
- Dual chrome exhaust finishers
- Remote keyless entry with Push Button Ignition
- Advanced Drive-Assist® Display^{1,2}
- Bluetooth® Hands-Free Phone System³
- Streaming audio via Bluetooth® wireless technology³
- Tire Pressure Monitoring System (TPMS) with Easy-Fill Tire Alert^{4,5}
- AM/FM/CD audio system with four speakers
- Illuminated steering wheel-mounted audio controls
- Cruise control
- Tilt and telescoping steering column
- Air conditioning
- 60/40 Split fold-down rear seatbacks
- Front-passenger seatback pocket
- Six airbags⁶
- Active Understeer Control
- Vehicle Dynamic Control (VDC)⁷
- Traction Control System (TCS)

2.5 S INCLUDES 2.5 EQUIPMENT PLUS:

- Nissan Intelligent Key®
- Remote Engine Start System⁸
- Heated outside mirrors
- Heated front seats
- 8-way power adjustable driver's seat
- 2-way power driver's lumbar support
- Driver's seatback pocket
- Upgraded audio system with 127 mm (5.0") colour display and speed-sensitive volume control
- RearView Monitor⁹
- Illuminated USB connection port for iPod® interface¹⁰
- Siri® Eyes Free¹¹
- Hands-free text messaging assistant¹²
- Air conditioning with in-cabin microfilter
- Auto-on/off headlights
- Sun visors with illuminated vanity mirrors and extensions
- Tire Pressure Monitoring System (TPMS) with individual tire pressure display and Easy-Fill Tire Alert^{4,5}

2.5 SR INCLUDES 2.5 S EQUIPMENT PLUS:

- 18" x 7.5" aluminum-alloy sport wheels
- Paddle shifters with manual shift mode
- Leather-wrapped steering wheel
- Leather-wrapped shift knob
- Unique sport interior accents
- Sport spoiler
- Sport-tuned suspension – retuned dampers, stiffer springs and larger front and rear stabilizer bars
- LED headlights with signature LED Daytime Running Lights
- Smoked headlight housing

2.5 SV INCLUDES 2.5 S EQUIPMENT PLUS:

- 17" x 7.5" aluminum-alloy wheels
- SiriusXM® Satellite Radio¹³
- Dual Zone Automatic Temperature Control (ATC)
- Rear passenger air conditioning vents
- Leather-wrapped steering wheel and shift knob
- Blind Spot Warning (BSW)¹⁴
- Rear Cross Traffic Alert (RCTA)¹⁵
- Heated steering wheel
- Remote Engine Start System with Intelligent Climate Control⁸
- Passenger side front window one-touch auto-up/down with auto-reverse

KEY AVAILABLE PACKAGE:

- Moonroof and Navigation Package

2.5 SL TECH INCLUDES 2.5 SV EQUIPMENT PLUS:

- Leather-appointed seats
- Bose® Premium Audio System with nine speakers
- NissanConnectSM with Navigation and Mobile Apps, including 178 mm (7.0") touch-screen colour display and with voice recognition¹⁶
- SiriusXM® Traffic¹³
- NissanConnectSM Services powered by SiriusXM®¹⁶
- Premium interior finishers
- 4-way power adjustable passenger's seat
- LED headlights with signature LED Daytime Running Lights
- Manual folding outside mirrors with LED turn signal indicators
- Power sliding glass moonroof
- HomeLink® universal garage-door opener
- Auto-dimming inside rearview mirror
- Mood lighting
- Intelligent Cruise Control (ICC)¹⁷
- Predictive Forward Collision Warning (PFCW)¹⁸
- Forward Emergency Braking (FEB)¹⁹

3.5 SL TECH INCLUDES 2.5 SL TECH EQUIPMENT PLUS:

- 3.5-litre DOHC 24-valve V6 engine
- 18" Aluminum-alloy wheels
- Paddle shifters with manual shift mode

BUYING AND OWNING

Finance Options Through Nissan Canada Finance, we offer many attractive lease and loan options that can be tailored to your individual needs. We have unique programs such as the Nissan Grad Program, Loyalty Program or the Nissan Advantage Program. Please visit our website Nissan.ca/finance to explore all of the options available. We have also made it easy to pre-qualify online. All of our programs come with competitive rates and terms. With our flexible options, driving home a new Nissan has never been easier. Consult your local Nissan Dealership for complete details.

No-Nonsense Warranty Every 2017 Nissan is covered by a 3 year/60,000 km⁵ Comprehensive New Vehicle Warranty, a 5 year/100,000 km⁵ Powertrain Warranty, an 8 year/130,000 km⁵ Emission Control Warranty on selected components, and a 5 year/unlimited km Corrosion Perforation Warranty. As a Nissan owner, you'll also receive a 3 year Roadside Assistance program available to you 24 hours a day. Terms, conditions and exclusions apply. See your Warranty Information Booklet for complete details.

²See your Nissan Dealership and read the actual limited warranty. ³Cargo and load capacity limited by weight and distribution. Always secure all cargo. ⁴Provincial laws may apply; review local laws before using. ⁵Whichever occurs first.

Added Security Plan (ASP) For ultimate peace of mind, consider the Nissan Added Security Plan. It's our commitment to be there for you, and to help you leave your worries behind. Different plans, available for both purchased and leased vehicles, let you tailor the coverage to your driving habits.

Security+Plus™ Prepaid Maintenance Plan The smart choice when it comes to maintaining your new Nissan. Honoured at all participating Nissan Dealers in Canada and the U.S., your vehicle is cared for by factory-trained technicians using Genuine Nissan Parts. And best of all, there's no worrying about price increases on parts or service in the future. A variety of plans are available. Ask your Dealer for details.

Nissan's environmental action plan focuses on several key areas. In addition to increasing production of Zero Emission vehicles like the 100% electric LEAF,[®] we're improving fuel efficiency across our lineup, and reducing the environmental impact of manufacturing through energy-efficient practices in our plants.
