**MAKE** big plans. The destinations are endless. And unrivalled space means everyone gets in on the action. Where to next? Put it to a vote. Now take on the road, or what they call a road, with available All-Mode® 4x4-i, while you tow up to 6,000 lbs. (2,722 kg)! Then feel secure with some of the most advanced driver-assistance systems anywhere. Capability at this level always makes for memorable **ADVENTURES**.

## PLAN AN EXTENDED STAY

Pathfinder® surrounds you with premium comforts, including a standard Tri-Zone Automatic Temperature Control System, available climate-controlled (heated and cooled) front seats, heated 2nd-row outboard seats, heated steering wheel and the innovative Nissan Intelligent Key®. Then it makes you feel even more catered to with Push Button Ignition and a 203 mm (8.0") touch-screen display. Add in an available memory seating system, premium wood-tone trim elements, and a Dual Panel Panoramic Moonroof, and getting to the next destination may be the best part.

U.S. model shown.

U.S. model shown.

U.S. model shown.

## BECAUSE EVERYONE SHOULD COME ALONG

In Pathfinder,<sup>®</sup> capability goes way beyond taking on rugged conditions; it's conquering the real world you face every day. That means more than just seating for seven. It means seating for seven with exceptional passenger room, including a 2nd row that slides over 133 mm (5.2") for stretch-out room and 3rd-row reclining seats.<sup>1,2</sup> And with a highly flexible interior that can adapt to nearly any adventure, an available Tri-Zone Entertainment System,<sup>3</sup> Bose<sup>®</sup> Premium Audio System, and Bluetooth<sup>®</sup> steaming audio,<sup>4</sup> this is one time where one size fits all beautifully.

Nissan Pathfinder<sup>®</sup> Platinum shown in Almond Leather with optional equipment. U.S. instrumentation shown.

<sup>1</sup>Slide function should not be performed with the Child Restraint System occupied. <sup>2</sup>Passengers should not ride in the reclined position while the vehicle is in motion. <sup>3</sup>Tri-Zone operation requires compatible auxiliary media system. See Owner's Manual for details. <sup>4</sup>Availability of specific features is dependent upon the phone's Bluetooth<sup>®</sup> support. Please refer to your phone Owner's Manual for details. Bluetooth<sup>®</sup> word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under licence. Cargo and load capacity limited by weight and distribution. Always secure all cargo.

## NISSAN EZ FLEX® SEATING SYSTEM

# INNOVATION THAT GIVES EVERYONE AN OPEN INVITATION

What if getting to any seat was easy? With the innovative EZ Flex Seating System, the 2nd row glides and tilts forward for easy access to the spacious rear seats. And once you're in the 3rd row, you'll find it exceptionally comfortable, thanks to reclining seats.<sup>1,2</sup>

Pathfinder® is family-friendly, too. With Pathfinder's LATCH AND GLIDE® technology, you can even tilt and slide the right side of the 2nd row with a child seat securely strapped in!<sup>1</sup>

US model shown.

**Fold-flat Rear Seats.** Cargo? Pathfinder makes it easy, with folding 2nd- and 3rd-row seats that create a virtually flat floor and up to 2,260 L (79.8 cu. ft.) of cargo space.<sup>4</sup>

**Under-floor Storage.** There's also an under-floor storage area that keeps valuables out of sight. It's easily accessed even when the 3rd row is upright, for extra cargo space when you've got seven on board.<sup>4</sup>

**Motion Activated Liftgate.** Hands full? We've got you covered. With the Nissan Intelligent Key® in your pocket, just kick your foot under the rear bumper and the Motion Activated Liftgate will automatically open to give you easy access to Pathfinder's versatile interior.<sup>3</sup>

Nissan Pathfinder® Platinum shown in Almond Leather with optional equipment.

<sup>1</sup>Slide forward function should not be performed with the Child Restraint System occupied. <sup>2</sup>Passengers should not ride in the reclined position while the vehicle is in motion. <sup>3</sup>Available feature. <sup>4</sup>Cargo and load capacity limited by weight and distribution. Always secure all cargo.

## NISSAN ADVANCED DRIVE-ASSIST® DISPLAY

# INNOVATION THAT'S RIGHT IN FRONT OF YOU

From keeping tabs on your trip to observing the 4WD system's torque distribution to monitoring your tire pressure, the Advanced Drive-Assist Display puts it all right before your eyes.<sup>1,2</sup> Steering wheel controls let you toggle through the different screens.

DRIVING AIDS<sup>1,2</sup>

U.S. instrumentation shown.

4WD TORQUE DISTRIBUTION<sup>1,2</sup>

TIRE PRESSURE MONITORING SYSTEM<sup>1,2,3</sup>

<sup>1</sup>Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. <sup>2</sup>Information displayed is dependent on how vehicle is equipped. <sup>3</sup>TPMS is not a substitute for regular tire pressure checks. <sup>4</sup>XM and SiriusXM® Satellite Radio is available in the 10 Canadian provinces and the 48 contiguous United States. Basic monthly subscription required and sold separately after trial period. NavTraffic®/SiriusXM® Traffic is available in select North American markets. In Canada, at time of printing, incident and flow data is available for 12 metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Toronto, Ottawa, Montreal, Quebec City, Hamilton, St. Catharines, Kitchener, Guelph, and London). Subscription sold separately after trial period. All subscriptions subject to customer agreement at [siriusxm.ca/terms](http://siriusxm.ca/terms). Fees and programming subject to change. ©2016 Sirius XM Canada Inc. The Sirius, XM, and SiriusXM names and all related marks and logos are trademarks of Sirius XM Radio Inc. All other trademarks are the property of their respective owners. <sup>5</sup>Use the text messaging feature after stopping your vehicle in a safe location. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Compatible smartphone required. Text rates and/or data usage may apply. <sup>6</sup>Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. Bluetooth® word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under licence. <sup>7</sup>Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. External device not included. <sup>8</sup>Provincial laws may apply; review local laws before using. <sup>9</sup>Driving is serious business. Only use NissanConnect™ Services powered by SiriusXM® and NissanConnect™ Mobile Apps when safe to do so. NissanConnect™ Services and Mobile Apps availability is dependent on vehicle model, trim level, packaging, and/or options. See [Nissan.ca/NissanConnect](http://Nissan.ca/NissanConnect) for complete availability details. Late availability for some features. Compatible smartphone required to operate NissanConnect™ Mobile Apps. NissanConnect™ Services, including automatic crash notification and SOS, are dependent upon the telematics device being in operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data, and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach NissanConnect™ Customer Care or receive support. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. You are responsible for using Remote Engine Start and Remote Horn features in accordance with any laws, rules or ordinances in effect in your vehicle's location. Cellular network not available in all areas and/or at all times. Cellular technology is evolving, and changes to cellular networks provided by independent companies are not within Nissan's or SXM CVS Canada's control. Neither Nissan nor SXM CVS Canada are responsible for associated costs that may be required for continued operation due to cellular network termination (including equipment upgrades, if available, or roaming charges on alternative networks). Should cellular provider terminate/restrict service, service may be terminated without notice and with no liability to Nissan, SXM CVS Canada and/or their respective agents or affiliates. Certain services require a PIN for activation. Enrollment and Subscription Agreement is required to receive full suite of NissanConnect™ Services powered by SiriusXM® six (6) month trial period. Trial periods begin on your date of vehicle purchase or lease of a new Nissan; subsequently the respective paid subscription is at the then current rate to continue to receive respective services. Text rates and/or data usage may apply. See [Nissan.ca/NissanConnect](http://Nissan.ca/NissanConnect) for details.

NissanConnect<sup>SM</sup>

## YOUR WORLD AT YOUR FINGERTIPS

Call hands-free to invite friends to dinner. Enjoy your hand-picked music and podcasts, SiriusXM® and more with just a swipe or a tap.<sup>4</sup> You can even send a text using the hands-free text messaging assistant.<sup>4,5</sup> All while Bluetooth® streaming audio,<sup>6</sup> and two iPod®/USB connection ports<sup>7</sup> keep the entertainment going all the way to your destination. NissanConnect makes it all possible, working seamlessly together with your compatible smartphone and Pathfinder's high-resolution, colour display with multi-touch control. Pathfinder® also makes every drive easier with available NissanConnect Services featuring everything from Remote Engine Start<sup>8</sup> to customizable alerts to automatic collision notification.<sup>9</sup>

US instrumentation shown.

3.5 LITRE V6

284 HP

259 LB.-FT. TORQUE

8.5 L/100 KM (33 MPG)<sup>1</sup>

### IT ALL ADDS TO A BETTER DRIVE

In Pathfinder,<sup>®</sup> power and efficiency combine to make every drive exceptional. It starts with an enhanced powertrain, including a more potent 3.5-litre V6 that provides plenty of passing power, while still sipping fuel. Add in our Next-Generation Xtronic CVT<sup>®</sup> (Continuously Variable Transmission) and the drive only gets better. It can hold the engine at the ideal rpm for the job, giving you a wave of power when you need it and running low rpm for quiet, efficient cruising when you don't.

### BRING A BIGGER BOAT JUST BECAUSE YOU CAN

Go ahead, bring your favourite toys. 284 HP and 259 lb.-ft. of torque equal an impressive 6,000 lbs. (2,722 kg) maximum towing capacity.<sup>2</sup> Meaning Pathfinder is more than up for the task. What does that mean for you? Your next adventure just got a lot more exciting.

6,000 LBS. MAXIMUM TOWING<sup>2</sup>

Nissan Pathfinder<sup>®</sup> Platinum shown in Cayenne Red with optional equipment.

## SNOWED IN IS NO LONGER AN EXCUSE

With Pathfinder's available All-Mode<sup>®</sup> 4x4-i intuitive 4WD system, you've got a system that's capable on-road and off. And it's the only vehicle in its class with available selectable driving modes.<sup>3</sup> Choose full-time 2WD for maximum efficiency. Auto Mode constantly monitors conditions and adjusts the balance of power between front and rear wheels for best traction. Challenging conditions? 4WD Lock Mode is your choice. Just forget about taking snow days because there's a good chance Pathfinder can still get you to work.

**Balance of Power.** The Advanced Drive-Assist<sup>®</sup> Display illustrates the Pathfinder dividing the power between the front and rear axles, helping to give you the available traction and control you need.<sup>4,5</sup>

**Ups and Downs.** When your travels take you on steeper paths, hill start assist helps prevent rollback when starting and driving away on an incline. Hill descent control<sup>6</sup> helps make going down steep grades more manageable by automatically adjusting your speed and brake pressure to help keep you going at a controlled speed.

Nissan Pathfinder<sup>®</sup> Platinum shown in Brilliant Silver with optional equipment. U.S. model shown.

<sup>1</sup>2017 Fuel Economy Estimate for 2WD model. Actual mileage may vary with driving conditions — use for comparison only. <sup>2</sup>See Nissan Towing Guide and Owner's Manual for additional information. <sup>3</sup>Based on Global Automakers of Canada (GAC) Intermediate Sport Utility Market Segmentation. MY17 Pathfinder<sup>®</sup> vs. 2017 and 2016 Intermediate Sport Utility Class sourced from Autodata on June 14, 2016. <sup>4</sup>Information displayed is dependent on how vehicle is equipped. <sup>5</sup>Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. <sup>6</sup>4WD models only. Cargo and load capacity limited by weight and distribution. Always secure all cargo.

## NISSAN INTELLIGENT CRUISE CONTROL SO SMART, YOU'D THINK IT WAS FROM THE FUTURE

Unlike traditional systems that only maintain a set speed, Pathfinder's available Intelligent Cruise Control also helps maintain an adjustable set distance between you and the car in front. As traffic slows down or speeds up, Pathfinder® can respond accordingly.<sup>1</sup>

HELPS KEEP YOUR DISTANCE, REGARDLESS OF SPEED.

## NISSAN AROUND VIEW® MONITOR 360 WAYS TO BE MORE AWARE

A RearView Monitor is great when backing up – but when it comes to parking, it's nice to see more than just what's directly behind you. That's why Pathfinder's Around View Monitor uses four cameras to give you a virtual 360° bird's-eye view of your vehicle, with selectable split-screen close-ups of the front, rear, and curbside views, so you can get a better look.<sup>2,3,4</sup>

## NISSAN INTELLIGENT SAFETY SHIELD TECHNOLOGIES YOUR PARTNER, NO MATTER WHERE THE ROAD TAKES YOU

What if extra reassurance was easy to spot? Pathfinder's available Intelligent Safety Shield Technologies offer you a suite of advanced systems that help you keep an eye out all around you, watch the flow of traffic, and even think ahead.

### 1. Forward Emergency Braking (FEB)

Using radar technology to keep an eye on your speed and proximity to the vehicle ahead of you, Forward Emergency Braking can give you audible and visual display warnings to help you know when to reduce your speed, if necessary. It can also apply braking to help you avoid a collision. If a frontal collision is unavoidable, this feature can automatically engage the brakes to help reduce speed of impact and reduce the severity of a collision.<sup>4,5</sup>

### 2. Blind Spot Warning (BSW)

If another vehicle is detected in the blind spot area, an indicator appears in the driver's or front passenger's door pillar and on the Advanced Drive-Assist® Display. Then, if you put your turn signal on, the indicator flashes with a warning chime.<sup>4,6</sup>

### 3. Rear Cross Traffic Alert (RCTA)

When you're backing out of a parking space, this feature watches the area around the rear of your Pathfinder, and can warn you about vehicles detected that you might not see behind you approaching from either side. So feel more confident backing up.<sup>4,7</sup>

### 4. Moving Object Detection (MOD)

When the Around View Monitor is in use and MOD detects moving objects near the vehicle, it gives a visual and audible alert.<sup>4,8</sup>

<sup>1</sup>Intelligent Cruise Control is not a collision avoidance system or warning device. Designed to use limited braking. Failure to apply the brakes could result in an accident. <sup>2</sup>Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. <sup>3</sup>360° virtual view. <sup>4</sup>Available feature. <sup>5</sup>FEB cannot prevent accidents due to carelessness or dangerous driving techniques. It may not provide warning or braking in certain conditions. Speed and other limitations apply. <sup>6</sup>Blind Spot Warning is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you. <sup>7</sup>Not a substitute for proper backing procedures. May not detect all moving vehicles. Speed and other limitations apply. See Owner's Manual for details. <sup>8</sup>MOD cannot completely eliminate blind spots and may not detect every object. MOD operates at vehicle speeds below 8 km/h. Always check surroundings and turn to look behind you before moving vehicle. Bose® is a registered trademark of The Bose Corporation. HomeLink® is a registered trademark of Gentex Corporation.

# NISSAN INTELLIGENT SAFETY SHIELD TECHNOLOGIES

## INNOVATION THAT LOOKS OUT FOR YOU

What if you had the confidence you need for every part of your drive? The Nissan Safety Shield philosophy is a comprehensive approach to safety that guides the engineering and development of every vehicle we make.

### MONITOR

Smart technologies are designed to help monitor conditions. Like a warning to let you know when a vehicle is in the blind spot area, or a system that helps ensure you're travelling on properly inflated tires.

#### Available Features:

**Forward Emergency Braking (FEB)<sup>1</sup>**

**Blind Spot Warning (BSW)<sup>2</sup>**

**Rear Cross Traffic Alert (RCTA)<sup>3</sup>**

**Moving Object Detection (MOD)<sup>4</sup>**

#### Tire Pressure Monitoring System (TPMS) with Easy-Fill Tire Alert<sup>5,6</sup>

TPMS lets you know when a tire is low. And Easy-Fill Tire Alert takes the guesswork out of filling your tires, with a beep of the horn when you've reached the correct pressure.

**SAFETY SHIELD**

### RESPOND

Whether you need to hit the brakes hard or manoeuvre around an unexpected obstacle, these standard technologies help you respond to a potentially harmful situation.

**Vehicle Dynamic Control (VDC)<sup>7</sup>** helps you maintain your steered path.

**Traction Control System (TCS)** helps reduce wheelspin in low-traction situations.

**Anti-lock Braking System (ABS)** helps you maintain steering control around obstacles while braking heavily.

**Electronic Brake force Distribution (EBD)** sends extra force to the rear brakes when you have additional weight of passengers or cargo in the back.

**Brake Assist<sup>8</sup>** helps apply maximum braking force if it detects hard braking and senses you are in an emergency situation.

### PROTECT

**Six Standard Airbags<sup>9</sup>** Nissan Advanced Airbag System has dual-stage supplemental front airbags with seat-belt and occupant-classification sensors.<sup>9</sup> In addition, Pathfinder<sup>®</sup> features driver and front passenger seat-mounted side-impact supplemental airbags along with roof-mounted curtain side-impact supplemental airbags with rollover sensor.<sup>9</sup>

#### LATCH System

**(Lower Anchors and Tethers for Children)**

Nissan safety engineers have dedicated thousands of hours to evaluating hundreds of child restraints in Nissan vehicles. The result: an industry first, The Snug Kids Child Safety Seat Fit Guide. This guide lists child seats that fit the rear seats of Nissan vehicles, as well as offers invaluable tips on correct installation. Look for the latest Fit Guide at [Nissan.ca/en/owners](http://Nissan.ca/en/owners)

<sup>1</sup>FEB cannot prevent accidents due to carelessness or dangerous driving techniques. It may not provide warning or braking in certain conditions. Speed and other limitations apply. <sup>2</sup>Blind Spot Warning is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you. <sup>3</sup>Not a substitute for proper backing procedures. May not detect all moving vehicles. Speed and other limitations apply. See Owner's Manual for details. <sup>4</sup>MOD cannot completely eliminate blind spots and may not detect every object. MOD operates at vehicle speeds below 8 km/h. Always check surroundings and turn to look behind you before moving vehicle. <sup>5</sup>TPMS is not a substitute for regular tire pressure checks. <sup>6</sup>Vehicle must be on for the Easy-Fill Tire Alert to operate. <sup>7</sup>VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. <sup>8</sup>Brake Assist is only an aid to assist the driver and is not a collision warning or avoidance device. It is the driver's responsibility to be in control of the vehicle at all times. <sup>9</sup>Airbags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. Also, in addition to any other requirement of applicable law, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents; see your Owner's Manual for more details. Inflated airbags shown for illustration purposes only, actual coverage area may differ. Airbags deflate after deployment.

## CHOOSE YOUR TRIM LEVEL

**S**

- 284 HP 3.5-litre V6 engine
- Xtronic CVT® (Continuously Variable Transmission)
- Available All-Mode® 4x4-i intuitive 4WD system
- Hill start assist
- Hill descent control (4WD only)
- 18" Aluminum-alloy wheels
- LED Daytime Running Lights (DRL)
- Dual power heated outside mirrors with LED turn signal indicators
- 7-passenger seating capacity
- EZ Flex® Seating System
- Tri-Zone Automatic Temperature Control System
- Advanced Drive-Assist® Display<sup>1,2</sup>
- NissanConnect<sup>SM</sup> with Mobile Apps<sup>3</sup>
- 203 mm (8.0") colour display with multi-touch control
- RearView Monitor<sup>4</sup>
- Bluetooth Hands Free Phone System<sup>5</sup>
- Remote keyless entry
- Push Button Ignition
- Power windows
- AM/FM/CD audio system with six speakers
- MP3/WMA CD playback capability
- Auxiliary audio input jack<sup>6</sup>
- Two USB connection ports for iPod® interface and other compatible devices<sup>6</sup>
- Streaming audio via Bluetooth wireless technology<sup>5</sup>
- RCA auxiliary video input jack<sup>6</sup>
- SiriusXM® Satellite Radio<sup>7</sup>
- Illuminated steering wheel-mounted audio controls
- Nissan Advanced Airbag System
- Vehicle Dynamic Control (VDC)<sup>8</sup> with Traction Control System (TCS)
- Tire Pressure Monitoring System (TPMS) with Easy-Fill Tire Alert<sup>9,10</sup>

U.S. instrumentation shown.

**SL**

INCLUDES SV EQUIPMENT PLUS:

- Heated outside mirrors with LED turn signal indicators and reverse tilt-down feature
- Tow hitch receiver with 7-pin wiring harness
- Around View Monitor with Moving Object Detection (MOD)
- Motion Activated Liftgate
- Remote Engine Start System (RESS)
- Auto-dimming rearview mirror
- HomeLink® universal garage-door opener
- Rearview mirror integrated with digital compass
- Welcome lighting
- Heated front and 2nd-row outboard seats
- Driver's seat and outside mirrors position memory
- Driver's seat power lumbar support
- 4-way power adjustable passenger's seat
- Leather-appointed seats (1st and 2nd rows) and door trim
- Metallic interior trim
- 120-volt AC power outlet
- Stainless steel front kick plates
- Blind Spot Warning (BSW)<sup>12</sup>
- Rear Cross Traffic Alert (RCTA)<sup>13</sup>

**KEY AVAILABLE PACKAGE:**

- SL Premium Tech Package

US model shown.

**SV<sup>11</sup>**

INCLUDES S EQUIPMENT PLUS:

- Automatic on/off headlights
- Fog lights
- Roof rails
- Rear Sonar System
- Nissan Intelligent Key®
- 8-way power adjustable driver's seat
- Heated cloth front seats
- Heated steering wheel
- Power windows with front windows one-touch auto-up/down
- Variable intermittent speed-sensitive flat-blade windshield wipers
- Dual illuminated visor vanity mirrors
- Leather-wrapped steering wheel and shift knob
- Individual tire pressure display

**PLATINUM**

INCLUDES SL EQUIPMENT PLUS:

- 20" Aluminum-alloy wheels
- LED low-beam projector headlights
- Chrome body side mouldings
- Dual Panel Panoramic Moonroof
- NissanConnect with Navigation, Mobile Apps, and Services<sup>3</sup>
- SiriusXM® Traffic<sup>9,7</sup>
- Intelligent Cruise Control (ICC)
- Bose® Premium Audio System with 13 speakers, including Acoustic Waveguide technology
- Tri-Zone Entertainment System with dual head restraint-mounted 203 mm (8.0") monitors, remote control and two wireless headphones
- Rear HDMI input and USB port for video playback
- DVD video playback capability
- Wood-tone interior trim
- Climate-controlled front seats (heated and cooled)
- Power-tilt/telescoping steering column
- Steering-wheel position memory
- Forward Emergency Braking (FEB)

## BUYING AND OWNING

**Finance Options** Through Nissan Canada Finance, we offer many attractive lease and loan options that can be tailored to your individual needs. We have unique programs such as the Nissan Grad Program, Loyalty Program or the Nissan Advantage Program. Please visit our website [Nissan.ca/finance](http://Nissan.ca/finance) to explore all of the options available. We have also made it easy to pre-qualify online. All of our programs come with competitive rates and terms. With our flexible options, driving home a new Nissan has never been easier. Consult your local Nissan Dealership for complete details.

**No-Nonsense Warranty** Every 2017 Nissan is covered by a 3 year/60,000 km<sup>6</sup> Comprehensive New Vehicle Warranty, a 5 year/100,000 km<sup>6</sup> Powertrain Warranty, an 8 year/130,000 km<sup>6</sup> Emission Control Warranty on selected components, and a 5 year/unlimited km Corrosion Perforation Warranty. As a Nissan owner, you'll also receive a 3 year Roadside Assistance program available to you 24 hours a day. Terms, conditions and exclusions apply. See your Warranty Information Booklet for complete details.

**Added Security Plan (ASP)** For ultimate peace of mind, consider the Nissan Added Security Plan. It's our commitment to be there for you, and to help you leave your worries behind. Different plans, available for both purchased and leased vehicles, let you tailor the coverage to your driving habits.

**Security+Plus™ Prepaid Maintenance Plan** The smart choice when it comes to maintaining your new Nissan. Honoured at all participating Nissan Dealers in Canada and the U.S., your vehicle is cared for by factory-trained technicians using Genuine Nissan Parts. And best of all, there's no worrying about price increases on parts or service in the future. A variety of plans are available. Ask your Dealer for details.

<sup>3</sup>See your Nissan Dealership and read the actual limited warranty. <sup>4</sup>Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. <sup>5</sup>See Nissan Towing Guide and Owner's Manual for additional information. <sup>6</sup>Whichever occurs first.
