EVERY is a huge job description. With TITAN® XD you've got the tools you need. Like the awesome capability of a Cummins® diesel pumping out 555 lb.-ft. of torque. Epic towing capacity.¹ A gooseneck hitch to give you more ways to tow.^{1,2} All held together by a massive chassis and commercially proven components underneath, and a smart, spacious cabin up top. The 2017 Nissan TITAN XD. The sense of a light-duty, with the heart of a heavy **DUTY**.

TITAN™

CANADA'S BEST TRUCK LIMITED WARRANTY
5-YEAR/160,000 KILOMETRES³
BUMPER-TO-BUMPER LIMITED WARRANTY

Nissan TITAN® XD Platinum Reserve shown in Forged Copper.

¹See Nissan Towing Guide and Owner's Manual for proper use. ²Available feature. Cummins® is a registered trademark of Cummins Inc. ³Claim based on years/kilometre coverage for Maritz 2016 Full Size Pickup Segmentation and Compact Pickup Segmentation v. 2017 TITAN and TITAN XD. Nissan's New Vehicle Limited Warranty basic coverage excludes tires, powertrain coverage, corrosion coverage and emission performance and defect coverage (applicable coverage is provided under other separate warranties). Other terms and conditions also apply. See dealer for complete warranty details. Warranty claim is current at time of printing.

TESTED, PROVEN, COMMERCIAL-GRADE COMPONENTS

Look under the TITAN® XD and you'll see key components from our Nissan Commercial Vehicles program - vehicles that had to withstand more than 1,000,000 kms and 7,000 quality and durability tests. Add to that the TITAN XD testing program, including brutal heat, freezing cold, towing steep grades at 150 percent of capacity,¹ and more. Heavy-duty attitude? We think TITAN XD has earned it.

Nissan TITAN® XD Platinum Reserve shown in Forged Copper.

¹Maximum towing capacity when properly equipped. Maximum towing of up to 12,010 lbs for TITAN® XD S 4x4 with Cummins® V8 diesel engine and Accessory Tow Hitch Kit. Towing capacity varies by configuration. See Nissan Towing Guide and Owner's Manual for additional information.

CUMMINS® TURBO DIESEL 5.0 L V8

310 ^{HP} | **555** ^{LB.-FT. OF TORQUE}

When you've got 12,010 lbs. in tow, climbing a steep grade in oppressive heat, you'll be glad to have legendary power, a broad torque curve with massive low-end grunt and reliability under the hood. And you have just that, with over 100 years of leadership in reliability, efficiency, and advanced technology.¹

AISIN® One legend deserves another. Backing up the massive turbo diesel is a specially developed 6-speed automatic transmission. The world's largest supplier of automatic transmissions, used by over 55 automotive manufacturers, its depth of knowledge and expertise makes it an ideal partner to Cummins.®

TWO-STAGE TURBO

Say goodbye to turbo lag. The Cummins® 5.0 L V8 Turbo Diesel gets a continuous power boost right through the rpm range, thanks to a first-to-market Holset® M2 two-stage turbocharger. You get solid acceleration from the second you put your foot down until you get up to speed.

CERAMIC GLOW PLUGS

Even if it drops to frigid conditions overnight, you still have to get to work in the morning. With advanced Bosch® ceramic glow plugs, you can have your engine firing in less than two seconds even at bone-chilling temperatures. And these plugs were built to last – they'll be around for the life of the engine, with no maintenance.

LIGHTWEIGHT CGI BLOCK

The Cummins® 5.0 L V8 Turbo Diesel gives you maximum durability and power in a lightweight package. Extra weight was shed by building the cylinder block out of compacted graphite iron (CGI), which is stronger and lighter than traditional iron. Other lightweight engine components were added, like high-strength aluminum-alloy heads and composite valve covers.

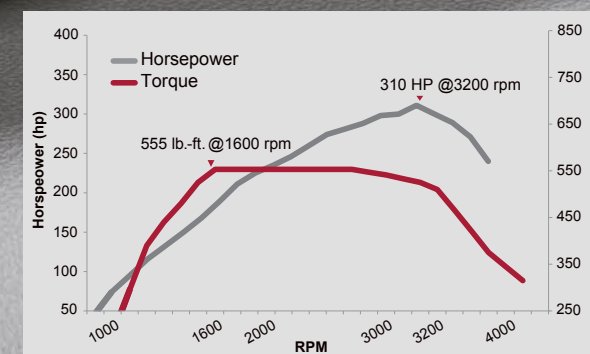

CLEAN EXHAUST

The Cummins® 5.0 L V8 Turbo Diesel exhaust system features a particulate filter that helps the engine to run more cleanly. Another example of innovation with real-world benefits.

5.6 L V8 GAS ENGINE

390 ^{HP}
394 ^{LB.-FT. OF TORQUE}

Choose TITAN® XD's Endurance® V8 gas engine, and you've got a technological powerhouse under your foot. With a 4-valve-per-cylinder design, Nissan Direct Injection System, and Variable Valve Event and Lift (VVEL®) technology, power, efficiency, and refinement come together in a tested, proven package.

¹Maximum towing capacity when properly equipped. Maximum towing of 12,010 lbs. for TITAN® XD S 4x4 with Cummins® V8 diesel engine and Accessory Tow Hitch Kit. Towing capacity varies by configuration. See Nissan Towing Guide and Owner's Manual for additional information. Aisin® is a registered trademark of Aisin Seiki Kabushiki Corporation. Bosch® is a registered trademark of Robert Bosch GmbH Corporation. Cummins® and Holset® are registered trademarks of Cummins Inc.

BUILT ON A CHASSIS THAT REALLY MEANS BUSINESS

The most important rule of construction: build on a solid foundation. With the TITAN® XD, we started with tried and tested components from our Nissan Commercial Vehicles program. Then we raised the bar, testing the TITAN XD in extreme conditions, simulating over 590,000 kms at our testing facilities, while racking up thousands of real-world kilometres in heat and cold, on-and off-road, at maximum capacity and many times, far above.

HEAVY-DUTY SUSPENSION

Reinforced double-wish-bone front suspension. Large rear leaf springs and bushings help handle up to 2,510 lbs. of payload!

14" VENTILATED DISC BRAKES

14-inch, ventilated disc brakes on all four wheels. Developed from our Nissan Commercial Vehicles program.

FRAME-MOUNTED GOOSENECK HITCH

Engineered directly into the frame for maximum strength.

HIGH-STRENGTH STEEL FRAME

Full-length, fully boxed ladder frame for structural rigidity and a solid place to mount components.

TOWING MADE EASY

TITAN XD gives you strength and flexibility. The gooseneck hitch is engineered into the frame, giving you the confidence to haul big loads.^{1,2} Equally adept at trailer hitch towing, it was specially designed to make towing easy – even when you're hitching up and towing solo.

INTEGRATED TRAILER BRAKE CONTROLLER

Allows you to adjust brake bias depending on load. You can also add additional brake force on the fly by pinching the controllers on the console.^{1,2}

REAR HITCH ALIGNMENT CAMERA

TITAN XD also makes lining up to a trailer easy. With either the RearView Monitor or Around View® Monitor, coloured lines help you judge distance from the item, while predictive course lines adjust with steering angle, to help guide you in.^{1,2,3}

REMOTE TRAILER LIGHT CHECK

Once you've hooked up your trailer, you can easily check all brake light connections by cycling through the lights with your Nissan Intelligent Key.[®] No muss, no fuss, no help needed.^{1,2}

UP TO 2,510 LBS. MAX PAYLOAD⁴

The bed is why you buy a truck. Careful design makes sure you have the strength, capability and flexibility you need.

SPRAY-ON BEDLINER

TITAN XD's tough bedliner is applied at the factory, ensuring you have a high-quality product. Designed for years of use and abuse, the bedliner helps protect your truck bed and your cargo.^{2,5}

UTILI-TRACK® CHANNEL SYSTEM

Slide the beefy aluminum-alloy cleats anywhere along the 5 channels along the wall or the floor, and put whatever you bring on lockdown.^{2,5}

DESIGN YOU CAN BUILD ON

Get the job done quickly and easily, with room between the wheelwells for standard plywood sheets. Another smart feature, TITAN XD's 110-volt outlet in the bed corner by the tailgate gives you a convenient hookup for power tools.^{2,5}

LED BED LIGHTING

24/7, TITAN XD's got you covered with ultra-bright lights. The in-bed lights² are tucked away to maximize space, while the standard lights over the rear window give you a wide field of sharp illumination.⁵

¹Maximum payload capacity when properly equipped. Maximum payload of up to 2,510 lbs. for TITAN® XD S 4x4 with Endurance® V8 gas engine. Payload capacity varies by configuration. See Nissan Towing Guide and Owner's Manual for additional information. Bilstein shocks shown are only available on PRO-4X® model.

¹See Nissan Towing Guide and Owner's Manual for additional information. ²Available feature. ³Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. ⁴Maximum payload capacity when properly equipped. Maximum payload of up to 2,510 lbs. for TITAN® XD S 4x4 with Endurance® V8 gas engine. Payload capacity varies by configuration. See Nissan Towing Guide and Owner's Manual for additional information. ⁵Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle.

LOCKABLE REAR SEAT CARGO ORGANIZER¹

FOLD-FLAT FLOOR PANELS

OUT-OF-THIS-WORLD COMFORT

TITAN[®] XD reaches new heights with the luxurious Platinum Reserve model. Relax in comfort in front and rear Zero Gravity Seats² – inspired by astronauts – that simulate weightlessness to help reduce fatigue and stress while driving. Those in back are also looked after, with heated outboard rear seats and convenient locking under-seat storage. When the rear seat is not in use, the bottom flips up, and the cargo storage cover folds out to create a convenient flat loading floor.

Premium Leather Seating with Platinum Reserve Logo

Premium Open-pore Wood-tone Trim

Heated and Cooled Front Seats

Heated Steering Wheel

Dark Metallic Accent Trim

Nissan TITAN[®] XD Platinum Reserve shown in Black/Brown Leather.

¹Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure all cargo. ²Zero Gravity seats for outboard passengers only.

EVERY DAY, YOU'LL FIND MORE TO LOVE

You'll fall in love with the looks, but it's the space and innovation that mean long-term appreciation of TITAN® XD's interior. Relocating the shift lever to the steering column puts controls easily within reach and creates a huge centre console! The console lid even flips up – making easy access for driver and passenger alike. Little details make for everyday ease, like a glove compartment lever that's moved towards the centre for an easy reach.

Nissan TITAN® XD Platinum Reserve shown in Black/Brown Leather. U.S. instrumentation shown.

NISSAN ADVANCED DRIVE-ASSIST® DISPLAY INNOVATION THAT'S RIGHT IN FRONT OF YOU

From a dedicated off-road display to transmission temperature indicator,¹ turn-by-turn directions, caller ID, and safety features, the Advanced Drive-Assist Display puts it all right before your eyes on its colour display. And it's easy to access, too – steering wheel controls let you toggle through the different screens.^{1,2,3,4}

- Off-road Status^{1,3}
- Auxiliary gauges^{1,3}
- Turn-by-turn Navigation^{1,3,4}
- Tire Pressure Monitoring system^{1,3,5}
- Bluetooth® Audio^{1,3,6}
- Driving Aids^{1,3,7}
- Compass^{1,3}
- Front and Rear Sonar System^{1,3,8}

OFF-ROAD STATUS^{1,3}

NISSAN AROUND VIEW® MONITOR EYES IN THE BACK OF YOUR HEAD

TITAN XD's Around View Monitor revolutionizes how you work and play. Whether it's parking, hooking up a trailer or off-roading in tight quarters, four cameras help give you a virtual 360° bird's-eye view of your vehicle, with selectable split-screen close-ups of the front, rear, and curbside views, so you can get a better look.^{1,9,10}

REMOTE ENGINE START WITH INTELLIGENT CLIMATE CONTROL NEVER GET IN A HOT OR COLD TRUCK AGAIN

On hot days, the Remote Engine Start System with Intelligent Climate Control can adjust temperature and airflow for a quick cool-down.^{1,11}

On cold days, the system can adjust airflow to warm up the cabin, defrost windows and windshield, and even turn on the heated steering wheel and outside mirrors.^{1,11}

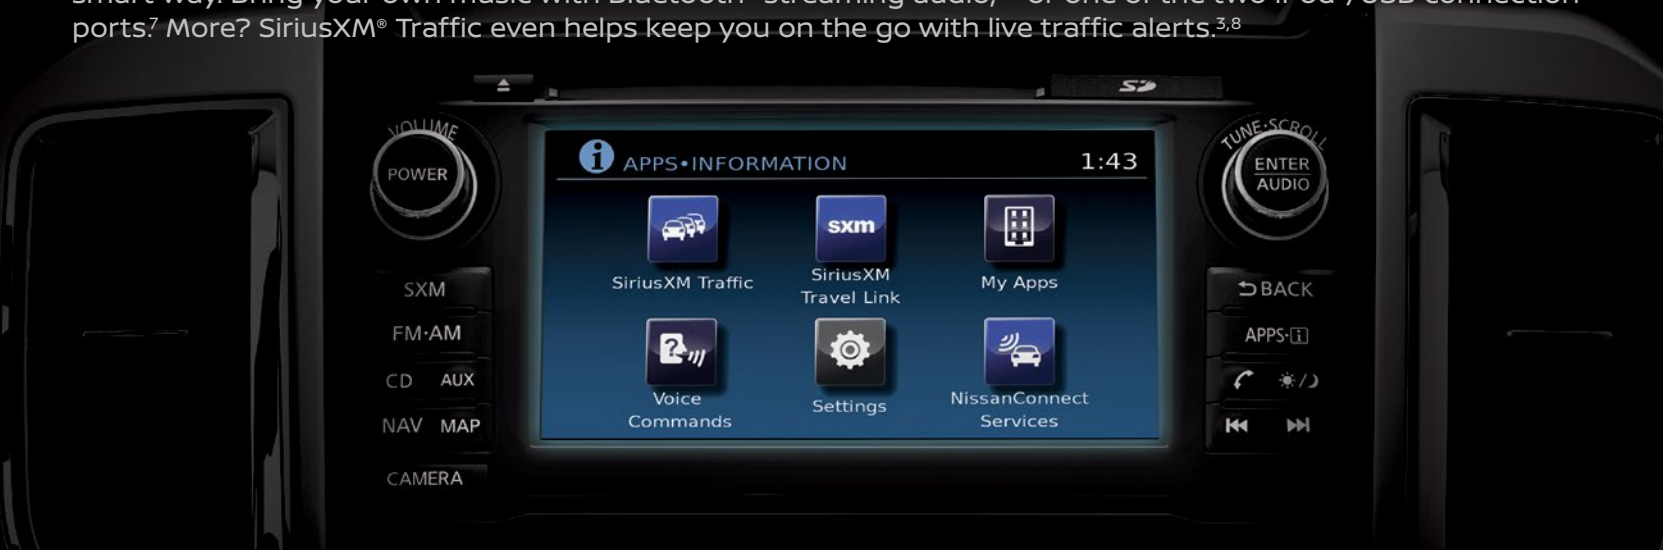

¹Available feature. ²Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ³Information displayed is dependent on how vehicle is equipped. ⁴Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. ⁵TPMS is not a substitute for regular tire pressure checks. ⁶Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. Bluetooth® word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under licence. ⁷Blind Spot Warning is not a substitute for proper lane change procedures.

The system will not prevent accidents. It may not detect every vehicle or object around you. ⁸The Sonar System is a convenience, not a substitute for proper parking and/or backing procedures. Always check that it is safe to do so before moving vehicle. May not detect every object. ⁹Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. ¹⁰Virtual composite 360° view. ¹¹Provincial laws may apply; review local laws before using.

BECAUSE BUSINESS IS ALL ABOUT CONNECTIONS

NissanConnect with Navigation and Mobile Apps.^{1,2,3} Never miss a beat with TITAN® XD's advanced navigation system with connected technology.^{2,3} Use Voice Recognition and Online Search with Google® while you're driving.^{1,2,3,4} Bluetooth® hands-free calling⁵ and the hands-free text messaging assistant⁶ keep you in touch the smart way. Bring your own music with Bluetooth® streaming audio,^{3,5} or one of the two iPod®/USB connection ports.⁷ More? SiriusXM® Traffic even helps keep you on the go with live traffic alerts.^{3,8}

NissanConnect Services. Let our people help look after you and your people. With NissanConnect Services, you have a selection of plans and services ranging from remote start access on your phone to calling for help if the system senses there's been an accident. Hey, that's what friends are for.^{1,3,8,9}

EMERGENCY PREPAREDNESS

Watches out for you with features including automatic collision notification and emergency calling.^{1,5}

REMOTE ACCESS

Use your computer or compatible smartphone to warm up your vehicle with the Remote Engine Start System. Remote lock/unlock gives you easy access – even without a key.^{1,9}

CUSTOMIZABLE ALERTS

Keep you in the know about your vehicle's location, including Valet Boundary, speed, and even curfew alerts.

CONCIERGE SERVICES

Travelling? You've got help with features including Journey Planner and Destination Download.

NISSAN INTELLIGENT SAFETY SHIELD TECHNOLOGIES

YOUR PARTNER, NO MATTER WHERE THE ROAD TAKES YOU

What if extra reassurance was easy to spot? TITAN's available Intelligent Safety Shield Technologies offer you a suite of advanced systems that help you keep an eye out all around you, watch the flow of traffic, and even think ahead.

Blind Spot Warning (BSW)

If another vehicle is detected in the blind spot area, an indicator appears in the driver's or front passenger's door pillar and on the Advanced Drive-Assist® Display. Then, if you put your turn signal on, the indicator flashes with a warning chime.^{3,10,11,12}

Rear Cross Traffic Alert (RCTA)

When you're backing out of a parking space, this feature watches the area around the rear of your TITAN XD and can warn you about vehicles detected that you might not see behind you approaching from either side. So feel more confident backing up.^{3,13}

Moving Object Detection (MOD)

When the Around View® Monitor is in use and detects moving objects near the vehicle, it gives a visual and audible alert.^{3,14}

¹Driving is serious business. Only use NissanConnect™ Services powered by SiriusXM® and NissanConnect™ Mobile Apps when safe to do so. NissanConnect™ Services and Mobile Apps availability is dependent on vehicle model, trim level, packaging, and/or options. See Nissan.ca/NissanConnect for complete availability details. Late availability for some features. Compatible smartphone required to operate NissanConnect™ Mobile Apps. NissanConnect™ Services, including automatic crash notification and SOS, are dependent upon the telematics device being in operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data, and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach NissanConnect™ Customer Care or receive support. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. You are responsible for using Remote Engine Start and Remote Horn features in accordance with any laws, rules or ordinances in effect in your vehicle's location. Cellular network not available in all areas and/or at all times. Cellular technology is evolving, and changes to cellular networks provided by independent companies are not within Nissan's or SXM CVS Canada's control. Neither Nissan nor SXM CVS Canada are responsible for associated costs that may be required for continued operation due to cellular network termination (including equipment upgrades, if available, or roaming charges on alternative networks). Should cellular provider terminate/restrict service, service may be terminated without notice and with no liability to Nissan, SXM CVS Canada and/or their respective agents or affiliates. Certain services require a PIN for activation. Enrollment and Subscription Agreement is required to receive full suite of NissanConnect™ Services powered by SiriusXM® six (6) month trial period. Trial periods begin on your date of vehicle purchase or lease of a new Nissan; subsequently the respective paid subscription is at the then current rate to continue to receive respective services. Text rates and/or data usage may apply. See Nissan.ca/NissanConnect for details. ²Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. ³Available feature. ⁴Google® Points of Interest and/or Google® Send to Car may require subscription and owner consent to activate. Certain services, including Google® Points of Interest and/or Google® Send to Car, provided by independent companies not within Nissan's control. Should service provider terminate/restrict service, service may be suspended or terminated without notice or liability to Nissan and/or its agents. Nissan not responsible for any equipment replacement or upgrades, or associated

costs, that may be required for continued operation due to service changes. ⁵Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. Bluetooth® word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under licence. ⁶Use the text messaging feature after stopping your vehicle in a safe location. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Compatible smartphone required. Text rates and/or data usage may apply. ⁷Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. iPod® is a registered trademark of Apple, Inc. All rights reserved. iPod® or other external device not included. ⁸XM® and SiriusXM® Satellite Radio is available in the 10 Canadian provinces and the 48 contiguous United States. Basic monthly subscription required and sold separately after trial period. NavTraffic®/SiriusXM® Traffic is available in select North American markets. In Canada, at time of printing, incident and flow data is available for 12 metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Toronto, Ottawa, Montreal, Quebec City, Hamilton, St. Catharines, Kitchener, Guelph, and London). Subscription sold separately after trial period. All subscriptions subject to customer agreement at siriusxm.ca/terms. Fees and programming subject to change. ©2016 Sirius XM Canada Inc. The Sirius® XM® and SiriusXM® names and all related marks and logos are trademarks of Sirius XM Radio Inc. All other trademarks are the property of their respective owners. ⁹Provincial laws may apply; review local laws before using. ¹⁰Blind Spot Warning is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you. ¹¹Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ¹²Information displayed is dependent on how vehicle is equipped. ¹³Not a substitute for proper backing procedures. May not detect all moving vehicles. Speed and other limitations apply. See Owner's Manual for details. ¹⁴MOD cannot completely eliminate blind spots and may not detect every object. MOD operates at vehicle speeds below 8 km/h. Always check surroundings and turn to look behind you before moving vehicle.

NISSAN INTELLIGENT SAFETY SHIELD TECHNOLOGIES

INNOVATION THAT LOOKS OUT FOR YOU

What if you had the confidence you need for every part of your drive? The Nissan Safety Shield philosophy is a comprehensive approach to safety that guides the engineering and development of every vehicle we make.

MONITOR

Smart technologies are designed to help monitor conditions. Like a warning to let you know a vehicle might be in your blind spot area, or a system that helps ensure you're travelling on properly inflated tires.

Available Features:

Blind Spot Warning (BSW)^{1,2}

Rear Cross Traffic Alert (RCTA)^{2,3}

Moving Object Detection (MOD)^{2,4}

Tire Pressure Monitoring System (TPMS) with Easy-Fill Tire Alert

TPMS lets you know when a tire is low. And Easy-Fill Tire Alert takes the guesswork out of filling your tires, with a beep of the horn when you've reached the correct pressure.^{5,6}

SAFETY SHIELD

RESPOND

Whether you need to hit the brakes hard or manoeuvre around an unexpected obstacle, these standard technologies help you respond to a potentially harmful situation.

Vehicle Dynamic Control (VDC)⁷ helps you maintain your steered path.

Traction Control System (TCS) helps reduce wheelspin in low-traction situations.

Anti-lock Braking System (ABS) helps you maintain steering control around obstacles while braking heavily.

Electronic Brake force Distribution (EBD) sends extra force to the rear brakes when you have additional weight of passengers or cargo in the back.

Brake Assist (BA)⁸ helps apply maximum braking force if it detects hard braking and senses you are in an emergency situation.

PROTECT

When a collision is unavoidable, Nissan's Zone Body construction helps absorb the impact while the seat belt and airbag systems help protect passengers.⁹

Six Standard Airbags⁹ Nissan's Airbag System has single-stage driver and dual-stage front passenger supplemental airbags with seat-belt sensors.⁹ TITAN[®] XD features front seat-mounted side-impact supplemental airbags⁹ and roof-mounted curtain side-impact supplemental airbags with rollover sensor.⁹

LATCH System

(Lower Anchors and Tethers for Children)

Nissan safety engineers have dedicated thousands of hours to evaluating hundreds of child restraints in Nissan vehicles. The result: an industry first, The Snuggly Kids Child Safety Seat Fit Guide. This guide lists child seats that fit the rear seats of Nissan vehicles, as well as offers invaluable tips on correct installation. Look for the latest Fit Guide at Nissan.ca/en/owners

¹Blind Spot Warning is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you. ²Available feature. ³RCTA is not a substitute for proper backing procedures. May not detect all moving vehicles. Speed and other limitations apply. See Owner's Manual for details. ⁴MOD cannot completely eliminate blind spots and may not detect every object. MOD operates at vehicle speeds below 8 km/h. Always check surroundings and turn to look behind you before moving vehicle. ⁵TPMS is not a substitute for regular tire pressure checks. ⁶Vehicle must be on for the Easy-Fill Tire Alert to operate.

⁷VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. ⁸Brake Assist is only an aid to assist the driver and is not a collision warning or avoidance device. It is the driver's responsibility to be in control of the vehicle at all times. ⁹Airbags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. Also, in addition to any other requirement of applicable law, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents; see your Owner's Manual for more details.

CHOOSE YOUR TRIM LEVEL

S Single Cab available late 2016. See dealer for details.

- 5.6-litre 32-valve Endurance® V8 gas engine with 7-speed automatic transmission
- Available Cummins® 5.0-litre DOHC 32-valve V8 Turbo Diesel engine with Aisin® 6-speed automatic transmission
- Bosch® ceramic glow plugs (available on Diesel engine only)
- Engine block heater
- 17" x 7.5" silver-painted styled steel wheels with LT245/75R17 all-season tires
- 14" front and rear vented disc brakes
- Black exterior trim
- Dampened assist tailgate
- Front bench seat with flip-down centre seat
- Remote keyless entry with Push Button Ignition
- Column shifter with manual shift mode
- AM/FM/CD audio system with 127 mm (5.0") colour display and six speakers
- Bluetooth® Hands Free Phone System¹
- Nissan Intelligent Key® with Push Button Ignition
- USB connection port for iPod® interface²
- Hands-free text messaging assistant³
- Steering wheel-mounted audio and cruise controls
- Easy Clean® vinyl flooring
- Variable intermittent windshield wipers
- Manual sliding back window
- Vehicle Dynamic Control (VDC)⁴
- Traction Control System (TCS)
- Tire Pressure Monitoring System (TPMS)
- Nissan Airbag System
- 6.5-ft. pickup box

SV INCLUDES S EQUIPMENT PLUS: Single Cab available late 2016. See dealer for details.

- Oil pan and fuel tank skid plates
- Chrome exterior trim
- Front tow hooks
- Power heated black manually extendable tow mirrors with integrated turn signal indicators and puddle lights⁵
- Advanced Drive-Assist® Display
- Stain-resistant cloth seat trim
- Chrome interior accents
- Interior mood lighting
- Sun visors with illuminated vanity mirrors and extension
- Carpeted flooring and carpeted floor mats
- Fine Vision electroluminescent gauges
- SiriusXM® Satellite Radio⁶
- Grocery hooks on bottom of rear seat cushion
- Trailer Sway Control⁵
- Trailer brake controller and trailer light check⁵
- Class IV tow hitch receiver with 4-pin/7-pin wiring harness⁵
- Integrated gooseneck hitch receiver⁵

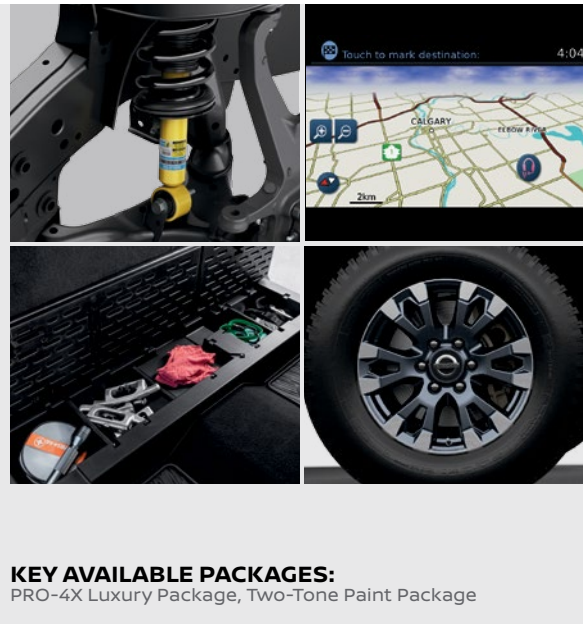

KEY AVAILABLE PACKAGE:
SV Premium Package

Gooseneck Hitch Ball and Safety Chain are available as accessories on SV, PRO-4X and SL models.

PRO-4X® INCLUDES SV EQUIPMENT PLUS:

- Hill descent control
- Electronic locking rear differential
- Bilstein® off-road performance shocks
- 18" x 7.5" dark-finished aluminum-alloy wheels with LT275/65R18 all-terrain tires
- Transfer case and lower radiator skid plates
- LED signature headlights with Follow Me Home Function and LED Daytime Running Lights
- Automatic on/off headlights and fog lights
- Body-colour bumpers and black door handles
- Front and Rear Sonar System⁷
- Utili-track® Channel System with 4 tie-down cleats
- LED under-rail bed and tailgate area lighting
- Factory-applied spray-on bedliner
- Rear utility bed step
- Electronic locking tailgate
- Nissan Intelligent Key® with front door handle request switch and Push Button Ignition
- Proximity Activation (puddle lights, LED signature headlights, cargo lights, and bed-mounted lights)
- Metallic-tone interior accents
- Carpeted floor mats with PRO-4X logo
- Dual Zone Automatic Temperature Control (ATC)
- Rear air conditioning vents
- Centre-console mounted 110-volt AC and 12-volt DC power outlets
- 110-volt power outlet in bed
- Heated front seats
- Lockable rear seat cargo organizer
- Power sliding back window with defroster
- Front captain's chairs with 8-way power adjustable driver's seat and power lumbar handles
- Leather-wrapped steering wheel
- NissanConnectSM with Navigation and Mobile Apps⁸
- 178 mm (7.0") touch-screen colour display
- Nissan Voice Recognition for audio and navigation
- SiriusXM® Traffic⁹ and Siri® Eyes Free⁹
- Streaming audio via Bluetooth® wireless technology¹
- RearView Monitor¹⁰
- Rockford Fosgate®-powered audio system with 12 speakers, including subwoofer and centre speaker
- Blind Spot Warning (BSW)¹¹
- Rear Cross Traffic Alert (RCTA)¹²

KEY AVAILABLE PACKAGES:
PRO-4X Luxury Package, Two-Tone Paint Package

SL INCLUDES SV EQUIPMENT PLUS:

- 20" x 7.5" aluminum-alloy wheels with LT265/60R20 all-season tires
- LED signature headlights with Follow Me Home Function and LED Daytime Running Lights
- Automatic on/off headlights and fog lights
- Removable front aero spoiler
- Power heated chrome manually extendable tow mirrors with integrated turn signal indicators and puddle lights⁵
- Front and Rear Sonar System⁷
- Auto-dimming outside mirrors
- Running boards and body-colour rear bumper
- NissanConnectSM with Navigation and Mobile Apps⁸
- 178 mm (7.0") touch-screen colour display
- NissanConnectSM Services powered by SiriusXM®⁸
- Nissan Voice Recognition for audio and navigation
- SiriusXM® Traffic⁹ and Siri® Eyes Free⁹
- Nissan Intelligent Key® with front door handle request switch and Push Button Ignition
- Remote Engine Start System with Intelligent Climate Control¹³
- Proximity Activation (puddle lights, LED signature headlights, cargo lights, and bed-mounted lights)
- Rockford Fosgate®-powered audio system with 12 speakers, including subwoofer and centre speaker
- Streaming audio via Bluetooth® wireless technology¹
- Power tilt and telescoping steering column
- Memory System – driver's seat, steering wheel, outside mirrors
- Leather-appointed seats
- Front captain's chairs with 8-way power adjustable driver's seat and power lumbar
- 4-way power adjustable passenger's seat
- Heated front seats and wood-tone interior trim
- Power sliding back window with defroster
- Blind Spot Warning (BSW)¹¹
- Rear Cross Traffic Alert (RCTA)¹²

PLATINUM RESERVE INCLUDES SL EQUIPMENT PLUS:

- 20" x 7.5" dark chrome-clad aluminum alloy wheels
- Dark and satin chrome-finished grille
- Dark chrome door handles and tailgate finisher
- Power heated dark chrome manually extendable tow mirrors with integrated turn signal indicators and puddle lights⁵
- Outside mirrors with reverse tilt-down feature
- Chrome exhaust finisher
- TITAN® boxes (two)
- Rear utility bed step
- Electronic locking tailgate
- Climate-controlled front seats (heated and cooled)
- Heated outboard rear seats
- Premium two-tone leather-appointed seats with Platinum Reserve logo
- Premium open-pore wood-tone trim
- Dark chrome interior accents
- Heated leather-wrapped steering wheel with wood insert
- Leather-wrapped column shifter
- Carpeted floor mats with Platinum Reserve logo
- Metallic kick plate finisher with Platinum Reserve logo
- Around View® Monitor with Moving Object Detection (MOD)¹⁴
- Gooseneck hitch ball with two safety chain anchors and storage bag⁵

KEY AVAILABLE PACKAGE:
Two-Tone Paint Package

¹Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. Bluetooth® word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under licence. ²Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ³Use the text messaging feature after stopping your vehicle in a safe location. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Compatible smartphone required. Text rates and/or data usage may apply. ⁴VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. ⁵See Nissan Towing Guide and Owner's Manual for additional information. ⁶XM® and SiriusXM® Satellite Radio is available in the 10 Canadian provinces and the 48 contiguous United States. Basic monthly subscription required and sold separately after trial period. NavTraffic®/SiriusXM® Traffic is available in select North American markets. In Canada, at time of printing, incident and flow data is available for 12 metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Toronto, Ottawa, Montreal, Quebec City, Hamilton, St. Catharines, Kitchener, Guelph, and London). Subscription sold separately after trial period. All subscriptions subject to customer agreement at siriusxm.ca/terms. Fees and programming subject to change. ©2016 Sirius XM Canada Inc. The Sirius®, XM®, and SiriusXM® names and all related marks and logos are trademarks of Sirius XM Radio Inc. All other trademarks are the property of their respective owners. ⁷The Sonar System is a convenience, not a substitute for proper parking and/or backing procedures. Always check that it is safe to do so before moving vehicle. May not detect every object. ⁸Driving is serious business. Only use NissanConnectSM Services powered by SiriusXM® and NissanConnectSM Mobile Apps when safe to do so. NissanConnectSM Services and Mobile Apps availability is dependent on vehicle model, trim level, packaging, and/or options. See Nissan.ca/NissanConnect for complete availability details. Late availability for some features. Compatible smartphone required to operate NissanConnectSM Mobile Apps. NissanConnectSM Services, including automatic crash notification and SOS, are dependent upon the telematics device being in operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data, and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach NissanConnectSM Customer Care or receive support. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. You are responsible for using Remote Engine Start and Remote Horn features in accordance with any laws, rules or ordinances in effect in your vehicle's location. Cellular network not available in all areas and/or at all times. Cellular technology is evolving, and changes to cellular networks provided by independent companies are not within Nissan's or SXM CVS Canada's control. Neither Nissan nor SXM CVS Canada are responsible for associated costs that may be required for continued operation due to cellular network termination (including equipment upgrades, if available, or roaming charges on alternative networks). Should cellular provider terminate/restrict service, service may be terminated without notice and with no liability to Nissan, SXM CVS Canada and/or their respective agents or affiliates. Certain services require a PIN for activation. Enrollment and Subscription Agreement is required to receive full suite of NissanConnectSM Services powered by SiriusXM® six (6) month trial period. Trial periods begin on your date of vehicle purchase or lease of a new Nissan; subsequently the respective paid subscription is at the then current rate to continue to receive respective services. Text rates and/or data usage may apply. See Nissan.ca/NissanConnect for details. ⁹Driving is serious business and requires your full attention. Only use feature when safe to do so. Compatible smartphone required. Availability of specific feature is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. Bluetooth® word mark and logos are owned by Bluetooth SIG, Inc. and any use of such marks by Nissan is under licence. Text rates and/or data usage may apply. Certain services, including Siri®, are provided by independent companies not within Nissan's control. Should service provider terminate/restrict service, service may be suspended or terminated without notice or liability to Nissan and/or its agents. Nissan not responsible for any equipment replacement or upgrades or associated costs, that may be required for continued operation due to service changes. Siri® Eyes Free is a registered trademark of Apple, Inc. ¹⁰Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. ¹¹Blind Spot Warning is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you. ¹²RCTA is not a substitute for proper backing procedures. May not detect all moving vehicles. Speed and other limitations apply. See Owner's Manual for details. ¹³Provincial laws may apply; review local laws before using. ¹⁴AVM with MOD cannot completely eliminate blind spots and may not detect every object. MOD operates at vehicle speeds below 8 km/h. Always check surroundings and turn to look behind you before moving vehicle. Aisin® is a registered trademark of Aisin Seiki Kabushiki Corporation. BUYING AND OWNING

Finance Options Through Nissan Canada Finance, we offer many attractive lease and loan options that can be tailored to your individual needs. We have unique programs such as the Nissan Grad Program, Loyalty Program or the Nissan Advantage Program. Please visit our website Nissan.ca/finance to explore all of the options available. We have also made it easy to pre-qualify online. All of our programs come with competitive rates and terms. With our flexible options, driving home a new Nissan has never been easier. Consult your local Nissan Dealership for complete details.

No-Nonsense Warranty Every 2017 Nissan is covered by a 3 year/60,000 km⁸ Comprehensive New Vehicle Warranty, a 5 year/100,000 km⁸ Powertrain Warranty, an 8 year/130,000 km⁸ Emission Control Warranty on selected components, and a 5 year/unlimited km Corrosion Perforation Warranty. As a Nissan owner, you'll also receive a 3 year Roadside Assistance program available to you 24 hours a day. Terms, conditions and exclusions apply. See your Warranty Information Booklet for complete details.

Added Security Plan (ASP) For ultimate peace of mind, consider the Nissan Added Security Plan. It's our commitment to be there for you, and to help you leave your worries behind. Different plans, available for both purchased and leased vehicles, let you tailor the coverage to your driving habits.

Security+Plus™ Prepaid Maintenance Plan The smart choice when it comes to maintaining your new Nissan. Honoured at all participating Nissan Dealers in Canada and the U.S., your vehicle is cared for by factory-trained technicians using Genuine Nissan Parts. And best of all, there's no worrying about price increases on parts or service in the future. A variety of plans are available. Ask your Dealer for details.

Nissan's environmental action plan focuses on several key areas. In addition to increasing production of Zero Emission vehicles like the 100% electric LEAF[®], we're improving fuel efficiency across our lineup, and reducing the environmental impact of manufacturing through energy-efficient practices in our plants.

¹Extra cost option. ²Monotone paint is standard on PRO-4X. Two-tone paint is available. PRO-4X Gun Metallic only available in Monotone paint. ³Monotone paint is standard on Platinum Reserve. Two-tone paint is available. ⁴See your Nissan Dealership and read the actual limited warranty. ⁵See Nissan Towing Guide and Owner's Manual for additional information. ⁶Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. ⁷Provincial laws may apply; review local laws before using. ⁸Whichever occurs first.

¹Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. Bluetooth® word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under licence. ²Driving is serious business. Only use NissanConnectSM Services powered by SiriusXM® and NissanConnectSM Mobile Apps when safe to do so. NissanConnectSM Services and Mobile Apps availability is dependent on vehicle model, trim level, packaging, and/or options. See [Nissan.ca/NissanConnect](#) for complete availability details. Late availability for some features. Compatible smartphone required to operate NissanConnectSM Mobile Apps NissanConnectSM Services, including automatic crash notification and SOS, are dependent upon the telematics device being in operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data, and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach NissanConnectSM Customer Care or receive support. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. You are responsible for using Remote Engine Start and Remote Horn features in accordance with any laws, rules or ordinances in effect in your vehicle's location. Cellular network not available in all areas and/or at all times. Cellular technology is evolving, and changes to cellular networks provided by independent companies are not within Nissan's or SXM CVS Canada's control. Neither Nissan nor SXM CVS Canada are responsible for associated costs that may be required for continued operation due to cellular network termination (including equipment upgrades, if available, or roaming charges on alternative networks). Should cellular provider terminate/restrict service, service may be terminated without notice and with no liability to Nissan, SXM CVS Canada and/or their respective agents or affiliates. Certain services require a PIN for activation. Enrollment and Subscription Agreement is required to receive full suite of NissanConnectSM Services powered by SiriusXM® six (6) month trial period. Trial periods begin on your date of vehicle purchase or lease of a new Nissan; subsequently the respective paid subscription is at the then current rate to continue to receive respective services. Text rates and/or data usage may apply. See [Nissan.ca/NissanConnect](#) for details. ³XM® and SiriusXM® Satellite Radio is available in the 10 Canadian provinces and the 48 contiguous United States. Basic monthly subscription required and sold separately after trial period. NavTraffic®/SiriusXM® Traffic is available in select North American markets. In Canada, at time of printing, incident and flow data is available for 12 metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Toronto, Ottawa, Montreal, Quebec City, Hamilton, St. Catharines, Kitchener, Guelph, and London). Subscription sold separately after trial period. All subscriptions subject to customer agreement at [siriusxm.ca/terms](#). Fees and programming subject to change. ©2016 Sirius XM Canada Inc.
