

Prepaid Maintenance Select

Mercedes-Benz

Select a Prepaid Maintenance Plan that suits your needs.

Now you can save when you prepay for your next two or four services.

Drive with confidence knowing that your scheduled maintenance is taken care of, as is your budget. Choose a Prepaid Maintenance Select plan that's right for you, designed for low- or high-mileage driving. Plus, pre-paying at your authorized Mercedes-Benz Retailer offers significant cost savings compared to a pay-as-you-go approach.

You may benefit from a Prepaid Maintenance Select Plan if:

- You are purchasing a pre-owned or Certified Pre-Owned Mercedes-Benz
- Your Mercedes-Benz was purchased privately
- Your vehicle already had its first scheduled maintenance
- Your existing new-vehicle Prepaid Maintenance Plan is coming to an end

Prepaid Maintenance Select is available for most 2015 and newer Mercedes-Benz models. Vehicles are eligible for Prepaid Maintenance Select anytime after the first scheduled maintenance service or when mileage exceeds 25,000 km for most Gasoline-powered models (18,000 km for Diesel, AMG and V12 models), whichever occurs first.*

*Prepaid Maintenance Select is not available on G550, G550 4x4², SLS, and Van models.

Save up to 30% with Prepaid Maintenance Select.*

This flexible plan helps to lower your total cost of ownership while ensuring that your vehicle is properly maintained.

Prepaid Maintenance Select provides you with valuable benefits, including:

- Savings of up to 30% compared to pay-as-you-go*
- Lump sum or monthly payment options†
- Factory-trained Technicians using Mercedes-Benz GenuineParts
- The ability to transfer Prepaid Maintenance Select to a new owner if you sell‡
- Service availability at authorized Mercedes-Benz Retailers across Canada^x
- 24-hour Roadside Assistance

With Prepaid Maintenance Select, you can be confident that your vehicle's factory warranty is being maintained, and all work will be performed by factory-trained Technicians using the latest diagnostic tools and only Mercedes-Benz GenuineParts.

ITEMS NOT COVERED BY PPM SELECT

In addition to factory scheduled maintenance, your Service Advisor may make additional recommendations based on factors such as the local environment, road conditions or individual driving habits. Items not covered by PPM Select include:

- Wear items (brakes, tires, wiper blades, light bulbs, etc.)
- Additives and/or fluid top-ups between services (fuel, oil and washer fluid, etc.)
- Wheel/tire alignment and balancing
- Maintenance performed outside scheduled maintenance intervals or by an entity/individual that is not an authorized Mercedes-Benz dealer in Canada.
- Damage of any type caused by, but not limited to: accidents, fire, alterations, improper/poor fuel, algae, rodents, misuse or neglect.[§]

* Percentage savings may vary based on vehicle model and year.

† Monthly payment options only available at the time of vehicle purchase.

‡ Certain terms and conditions apply.

^x Prepaid Maintenance Select coverage is available for work performed at an authorized Mercedes-Benz Canada Retailer only.

[§] Other exclusions may apply, see contract for details.
