## S60 & V60

### 18" 5-Y Spoke Alloy Wheel Matt Black with Diamond Cut Spokes Michelin X-Ice<sup>®</sup> SNOW

#### Michelin X-Ice<sup>®</sup> SNOW

- Long lasting tread pattern
- V-Shaped tread design provides optimal grip
- Flex Ice 2.0™ tread compound maintains flexibility when cold
- 2 types of 3D sipes increase grip on snow and ice
- Comfortable, smooth ride with low noise levels
- Tested and Approved by Volvo Cars

#### Volvo Genuine Alloy Wheels

- Perfect fit ensures the correct suspension geometry and wheel balance
- A 3-coat paint process with clear coat as the surface layer ensures superior corrosion resistance
- Attractive design to compliment the style of your Volvo
- The only wheel designed and tested by Volvo Cars

A Volvo Winter Wheel kit always includes:

- A complete kit of four (4) wheels, tires, and valve stems.
- Mounting and balancing using the same rigorous controls as when the car was manufactured.
- Two (2) year Road Hazard protection, offering tire replacement for original winter tires that become damaged during normal use. Please ask for us for details on this valuable coverage.

**KIT MSRP: \$3,195.00**

excludes taxes and installation.
